

Natural Landscapes and Gardens of New Zealand's South Island 2025

14 NOV – 30 NOV 2025

Code: 22547

Tour Leaders **Professor Tim Entwisle, Lynda Entwisle**

Fitness Level 

Level 1 - Active

For people with active lives and good mobility

Horticulturalist, Professor Tim Entwisle, visits a variety of private gardens and natural landscapes including Milford Sound, The Catlins & the spectacular Mackenzie Region.

Overview

Led by [Professor Tim Entwisle](#), former Director and Chief Executive of Royal Botanic Gardens Victoria, this tour visits an extraordinary variety of public and private gardens and spectacular natural landscapes of New Zealand's South Island. Tim will be assisted by [Lynda Entwisle](#) who first joined ASA as a tour manager in 2019.

- Explore the Marlborough Region, famous for its gardens and viticulture: visit magical [Winterhome Garden](#), Hortensia and the Japanese-inspired Moritaki Garden.
- Visit Gardens of International Significance: [Ohinetahi](#) - Sir Miles Warren's private garden, [Flaxmere Garden](#) and the [Dunedin Botanic Garden](#).
- By special appointment view Broadfields NZ Landscape Garden designed by Robert Watson in Christchurch and [Maple Glen Gardens](#) in Eastern Southland.
- Spend 2 nights at the [Lake Moeraki Wilderness Lodge](#), in the heart of Te Wahipounamu World Heritage Area, where experts lead us through rainforests to view glow-worms, Morepork Owls, fur seals and Fiordland Crested Penguins.
- Journey through Fiordland National Park encompassing mountain, lake, fiord and rainforests, and cruise of Milford Sound, described by Rudyard Kipling as the '8th wonder of the world'.
- Explore [The Catlins](#) featuring spectacular coastal scenery, rainforests, endangered species of birds and mammals, and one of the least disturbed examples of a Jurassic fossil forest in the world.
- While based in Dunedin tour the Otago Peninsula, view the only mainland breeding colony of Royal Albatross in the world.
- Dine at the award-winning [Riverstone Kitchen](#), and explore its vegetable gardens and orchard.
- Visit the spectacular [Mackenzie Region](#) ringed by snow-capped mountains and featuring turquoise-blue lakes. Recognised as an [International Dark Sky Reserve](#), discover the magic of our southern skies during a tour of the University of Canterbury Mt John Observatory.

Overnight Christchurch (2 nights) • Blenheim (2 nights) • Hokitika (1 night) • Lake Moeraki (2 nights) • Queenstown (2 nights) • Te Anau (1 night) • Invercargill (1 night) • Dunedin (2 nights) • Oamaru (1 night) • Lake Tekapo (2 nights)

Below is a youtube presented by Stephen Ryan that provides an outline of several of the gardens that we will visit in 2025.

https://www.youtube.com/watch?v=51F_2dyv4mE

Leaders

Professor Tim Entwisle

Tim is an author, broadcaster and passionate tour leader. Former director of Royal Botanic Gardens Victoria, senior executive at Royal Botanic Gardens Kew (UK) and director of the Royal Botanic Gardens and Domain Trust in Sydney, Tim first joined ASA in 2017 and currently leads tours to Spain, Morocco, England and New Zealand.

Tim is a highly respected author, broadcaster, botanist and garden expert, who has held senior roles in three of the world's leading botanic gardens. From 2013 to 2023 Tim was Director and Chief Executive of Royal Botanic Gardens Victoria, following two years in an executive role with responsibilities for over half of Royal Botanic Gardens Kew (London), and eight as Executive Director of the Royal Botanic Gardens and Domain Trust in Sydney. Tim is an Honorary Professorial Fellow in the School of Botany at The University of Melbourne and has been a Visiting Professor in the School of Biological and Biomedical Science, Durham University. During his 30 years or so working in botanic gardens, Tim has travelled throughout the world visiting botanic and other gardens on all continents; since 2016, he has been President of the International Association of Botanic Gardens.

Lynda Entwisle

Lynda is a keen gardener, and vice-chair and newsletter editor for the Victorian Branch of the Australian Garden History Society. Lynda was a language teacher for 25 years, and is fluent in French and Spanish.

Lynda completed a BSc in Botany and worked in research laboratories for a number of years. Her love of Language saw her complete a BA majoring in French & Linguistics, and from there she went in to secondary teaching for the larger part of her career. While living in Kew Gardens, London she volunteered with the Schools & Families Program to assist with school visits and to be a 'Palm House Explainer', which involved engaging visitors with displays in the famous glasshouse at Kew. Lynda is currently an active committee member of the Victorian Branch of the Australian Garden History Society and an enthusiastic volunteer with the award-winning Orchid Conservation Program, based at Royal Botanic Gardens Cranbourne.

Itinerary

The following itinerary describes a range of gardens which we plan to visit. At the time of publication (June 2024) most visits had been confirmed. While several are accessible to the public, others require special permission from the garden owners which may only be confirmed closer to the tour's departure in 2025. The daily activities described in this itinerary may change or be rotated and/or modified in order to accommodate alterations in opening hours, flight schedules and confirmation of private visits. Participants will receive a final itinerary, together with their tour documents, prior to departure. The tour includes meals indicated in the detailed itinerary where: B=breakfast, L=lunch and D=dinner.

Christchurch – 2 nights

Day 1: Friday 14 November, Arrive Christchurch

- Tour commences at 4.00pm in the foyer of the Crowne Plaza Christchurch Hotel
- Welcome Meeting
- Christchurch Botanic Gardens
- Welcome Dinner

Meeting Point: The tour commences at 4.00pm in the foyer of the [Crowne Plaza Christchurch](#).

Following a short welcome meeting we commence the tour with a walk to the Christchurch Botanic Gardens. Situated in the historic precinct of the city, the gardens are within walking distance of the museum, library and art gallery. Almost 150 years old and situated along the banks of the Avon River, these delightful gardens with their picturesque design and mature landscape features, are the perfect beginning for our garden tour. Considered the premiere Botanic Gardens of New Zealand, their sweeping lawns and old trees provide the backdrop for many fine plant collections including New Zealand Dahlias, cacti, succulents and orchids. The garden also contains many examples of New Zealand's unique and fascinating flora. After touring the gardens we shall return to our hotel.

Tonight we enjoy a welcome dinner at a local restaurant. (Overnight Christchurch) D

Day 2: Saturday 15 November, Christchurch – Allandale – Rolleston – Christchurch

- Ohinetahi Gardens, Allandale
- Broadfields NZ Landscape Garden

This morning we drive a short distance to Governors Bay to visit the Ohinetahi Gardens of Sir Miles Warren, arguably New Zealand's most famous landscape architect. Ohinetahi is Sir Miles' own garden and is centred upon a lovely restored heritage house, with magnificent views of surrounding volcanic hills and Lyttelton Harbour. A garden was first designed for this site by T.H. Potts in 1865, but this fell into disrepair after he died in 1888. Sir Miles Warren has developed his spectacular Ohinetahi garden over several decades.

We then drive to Broadfields Garden, a NZ Garden of International Significance, designed by Landscape Architect Robert Watson for owner David Hobbs. The 'pancake flat' site for this garden in the middle of the Canterbury plains posed special problems for Robert. His highly original solution incorporates a cricket field leading to a long avenue at the centre of which is a watercourse leading to a round pond. It has allowed the owners to implement a planting scheme featuring an extremely important collection of New Zealand native flora, in stages. Of the plantings, Robert has stated, 'I wanted it to be a garden that reflects the character of Canterbury – it's not trying to be an English garden or an Italian garden or something from anywhere else...' The framework of the garden is created by hedges, allowing for twenty-one discrete garden areas using cross axes from the main lines 'to create a journey through various formal and informal spaces. Although each garden has its own visual focus, the design also takes into account the vastness of the sky in this region.' (see, R. Thodey and G. Hanly, *Landscape, Gardens by New Zealand's Top Designers*, Auckland, Random House, A Godwit Book, 2005, p.58). (Overnight Christchurch) BL

Blenheim – 2 nights

Day 3: Sunday 16 November, Christchurch – Hawarden – Kekerengu – Blenheim

- Flaxmere Garden, Hawarden
- Ellerton Garden, Kekerengu

We depart Christchurch early this morning and travel north to the Marlborough Region visiting two spectacular gardens along the way. Our first visit is to Flaxmere Garden, a large country garden in North Canterbury. Flaxmere, with its long vistas and cross axis, sits very comfortably in its Southern Alps landscape. A garden that has evolved over the last 40 years, it uses elements of water, stone and timber to present a sense of belonging. A mix of both formal and informal, native and exotic, add to the garden's richness. At times it is hard to establish where the garden finishes and the countryside begins; formal areas merge into woodlands and in turn into countryside. This is a garden that exudes personality, and with its lush plantings providing softening to the stone and timber landscape features, it is bound to please. Following our guided tour by garden owner and creator Penny Zino, we will enjoy a delicious lunch of fresh produce, salads and freshly baked bread.

After lunch we drive north to reach Ellerton Garden in Kekerengu. Located on a hill between the Kaikoura Ranges and the Pacific Ocean, it offers breathtaking views. Established 11 years ago from two hectares of farmland and still a work in progress, Ellerton Garden shows off Mediterranean plantings, a hillside of lavender and intriguing nooks and crannies. We then continue our journey to Blenheim. (Overnight Blenheim) BLD

Day 4: Monday 17 November, Blenheim: Marlborough Region

- Winterhome Garden, Kekerengu
- Paripuma Garden
- Hortensia Garden

Today we begin with a visit to Winterhome garden at Kekerengu. Positioned on a cliff with dramatic views over the Pacific Ocean, Winterhome is renowned for its powerful design combining the classic cross axes with plantings of trees, shrubs and perennials. The garden features a rose garden with formal box edging, an orchard and a canal garden.

The second beautiful garden on today's program is Paripuma. Landscaper Rosa Davison once dreamt of creating a haven for wildlife on what was a barren and windswept seashore. Created from a bare sandy paddock in 1999, Paripuma is a unique collection of indigenous and some very rare plant species. Using thousands of Ngaio and other sturdy natives, shelter was created for more interesting and some near extinct species. The result sees intertwining walkways and hidden paths juxtaposed with traditional formal lines, blending a strong central vista into the natural lie of the land.

Nearby lies Hortensia, the creation of artist Huguette Michel, whose French origins are expressed in the Impressionist inspiration of this lovely garden. We spend a couple of hours touring this garden before returning to Blenheim. (Overnight Blenheim) BL

Hokitika – 1 night

Day 5: Tuesday 18 November, Blenheim – Punakaiki – Hokitika

- Moritaki Garden
- Pancake Rocks, Punakaiki

Close to our hotel is Peter and Andrea Forrest's Moritaki Garden, situated at the foot of Withers Hills. Dedicated solely to New Zealand natives, it nevertheless was designed by a Japanese gardener to express the traditional Japanese design principles of a water garden, in which a waterfall, stream and pond express the place of water in nature.

We next drive across the Marlborough Region to Greymouth on the west coast. This is one of the most sparsely populated areas of New Zealand. With the Tasman Sea to the west and the Southern Alps to the east, we will drive through a series of beautiful National Parks to the seaside town of Greymouth where we shall spend the night. We drive through the Mount Richmond Forest Park and the Nelson Lakes and Victoria National Parks to the west coast of the island.

We follow the 'Coast Road', one of the most spectacular coastal drives in the world. One of the scenic stops we make during the day will be at Punakaiki where the famous Pancake Rocks are located. These are limestone formations that began forming 30 million years ago, when lime-rich fragments of dead marine creatures were deposited on the seabed, then overlaid by weaker layers of soft mud and clay. The result is a fascinating rock formation that gives the appearance of vertical stacks of thin rocks. (Overnight Hokitika) BLD

Lake Moeraki – 2 nights

Day 6: Wednesday 19 November, Hokitika – Fox Glacier – Lake Moeraki

- Lake Matheson
- Fox Glacier Lookout
- Evening rainforest walk, Lake Moeraki

As we continue our journey south we encounter classic west coast river- and forest scenery, rushing water, impressive bridges and tiny, picturesque towns. Hokitika was first settled in 1860 after the discovery of gold on the west coast. Composed of lovely old buildings, it still has the feel of a frontier town. The road south from Hokitika travels through farmland that constantly threatens to revert to wilderness; the beauty of the region's rivers is raw and primeval. Continuing south we arrive in the Glacier Country.

After lunch we enjoy a short walk to Lake Matheson. The lake is nestled in ancient forest and is famous for mirror views of Aoraki/Mount Cook and Mount Tasman. Its excellent reflecting properties are due to the dark brown colour of the water – the result of organic matter leached from the humus of the forest floor. The walk to the Jetty Viewpoint takes you past tall kahikatea and rimu as well as a rich profusion of smaller plant varieties. Lake Matheson was formed when Fox Glacier Te Moeka o Tuawe retreated from its last significant advance about 14,000 years ago. During the last major ice age, the glacier spread across the coastal plains towards the sea, dumping huge piles of rock. The glacier ground a depression which later filled with water, forming the lake.

Fed by four alpine glaciers, Fox Glacier was named after an early New Zealand Prime Minister, William Fox. At 13kms, Fox Glacier is the longest of the awe-inspiring New Zealand West Coast glaciers. At its head, soaring peaks of over 3000m dominate the horizon. This mighty moving river of ice falls 2600 metres, on its journey from the base of the Southern Alps to the West Coast. New Zealand's West Coast glaciers are unique and probably the most accessible glaciers in the world, as they terminate amongst temperate rainforest just 250m above sea level. So special is this mountain environment, that it forms part of the South Westland World Heritage Area.

We continue south to Lake Moeraki (meaning "to sleep or dream by day" in Maori) in the South Westland, where we spend the night at the peaceful lakeside Wilderness Lodge. It is surrounded by untouched rainforest with stunning views of the snow-capped Southern Alps. Owned by teacher Anne Saunders and biologist Dr. Gerry McSweeney, the lodge was set up to help protect the rainforests and share this extraordinary natural setting with visitors.

This evening we dine together while enjoying the peaceful view from the lodge's Riverside Restaurant. The owners will then accompany the group on a short easy after-dinner walk to discover the rainforest at night and see its glow-worms and Morepork owls, as well as the Southern Cross and Milky Way. (Overnight Lake Moeraki Wilderness Lodge) BLD

Day 7: Thursday 20 November, Lake Moeraki

- Guided walk – freshwater life of Lake Moeraki
- Guided walk – rainforest jungle & Fiordland Crested Penguins on Robinson Crusoe Beach

For those who wish, today will begin before breakfast with a short excursion in which a nature guide will introduce to you the freshwater life of Lake Moeraki. You'll see shrimps, snails, small fish and plankton that are the building blocks of life in the lake. A short walk through the rainforest and you'll feed a colony of tame giant long finned eels.

After breakfast back at the lodge, there will be a guided walk through the rainforest jungle to the Tasman seacoast, where you'll encounter Fiordland Crested Penguins on Robinson Crusoe beach. You will pass

through a jungle-like temperate rainforest with forest bird life, vines, tree ferns and orchids. You'll see giant kahikatea, rimu and silver beech. We reach Robinson Crusoe Beach and sit and watch from close up small numbers of *Tawaki* (Fiordland Crested Penguin) crossing to and from the sea to their rainforest breeding areas and chicks. Note: subject to numbers, there will be a less arduous alternative walk, which is moderately strenuous. Due to restrictions set by the Department of Conservation the group might need to sub-divided. If so, one group will walk in the morning and the other in the afternoon. (Overnight Lake Moeraki Wilderness Lodge) BLD

Queenstown – 2 nights

Day 8: Friday 21 November, Lake Moeraki – Glendhu Bay – Lake Dunstan – Queenstown

- Alpha Burn Station, Glendhu Bay
- Jo Wakelin's Garden, Lake Dunstan

This morning we depart Lake Moreaki for Queenstown. After a short drive along the coast, we arrive at a long one-lane bridge and cross over the Haast River into the settlement of Haast. Haast was once a construction camp for the Ministry of Works and it's a town with a touch of the Wild West. We then leave the coast and drive past waterfalls and river scenery and climb up the Haast river valley to Haast Pass. The road snakes through the Aspiring National Park, and the vegetation becomes sparser as we travel inland.

Our first visit leads us to Allanah McRae's garden, surrounded by Lake Wanaka's snow-capped mountains. Alpha Burn Station is a working high-country sheep, beef, and deer station of 10000 acres located on the shores of Glendhu Bay Wanaka in a beautiful mountainous setting. The homestead was built in 1911 and is surrounded by a large country garden with a stream and two ponds that are spring-fed. There is also a vegetable and fruit garden that supplies the household with food throughout the year.

In the afternoon we travel to the Central Otago ranges where Jo Wakelin's garden sits in solitude at the foot of the Pisa range near Lake Dunstan. Inspired by a visit to Beth Chatto's pioneering dry garden in the East of England, Jo has designed a garden that can withstand drought and requires little, if any, watering. Today it is considered a test ground for dry-loving plants from many parts of the globe, including New Zealand.

We then continue our journey to Queenstown which sits on the shores of Lake Wakatipu, set against the dramatic Southern Alps, where we will be based for the next two nights. (Overnight Queenstown) BL

Day 9: Saturday 22 November, Queenstown – Arrowtown – Gibbston – Queenstown

- Arrowtown historic village
- Lunch at the Gibbston Valley Winery Restaurant
- Afternoon at leisure

This morning, we visit Arrowtown and explore at leisure this historic gold mining town. Nestled beside the sparkling Arrow River and below magnificent peaks, Arrowtown is a living historic settlement with many well-preserved buildings that were used by the European and Chinese immigrants who settled during the town's gold mining era.

After our morning visit, we travel to Gibbston. Lunch will be enjoyed at Gibbston Valley Winery, one of the most scenic vineyards you will ever see. The South Island's cold winters have produced grapes that, turned mainly into pinot noir, have gained worldwide recognition. The area's cheeses are also noteworthy.

Following lunch, we return to Queenstown and the rest of the day will be at leisure for you to further explore Queenstown. You may wish to take the opportunity to take a boat journey up and down the lake. (Overnight Queenstown) BL

Te Anau – 1 night

Day 10: Sunday 23 November, Queenstown – Milford Sound – Te Anau

This morning we journey along the edge of Lake Wakatipu, through Kingston and Mossburn, to Te Anau, the hub of New Zealand's fiordland region and the entry point to the Fiordland National Park. Along the way, we shall pass trout fishing rivers and high country scenery, and the small towns of Mossburn and Lumsden.

From Te Anau we continue along the Eglington Valley to the Mirror Lakes, before following the "Avenue of the Disappearing Mountain", past Cascade Creek and Lake Gunn to The Divide. We drive through the Hollyford Valley to the Homer Tunnel, a man-made tunnel cut out of the rock wall, to emerge into the Cleddau Valley, and on to Milford Sound. This road is one of New Zealand's most extraordinary. The first part crosses relatively mild farmland, but then we'll ease into beech forest near the entrance to the Fiordland National Park. The rough-hewn Homer Tunnel brings us into Milford Sound, an amazing twenty-two kilometre long fiord dominated by Mitre Peak (1,692 m).

In the afternoon we depart for our cruise of Milford Sound, described by Rudyard Kipling as the '8th wonder of the world'. "This spectacular fjord is home to fur seal colonies, penguins and dolphins and offers a sweeping landscape of jagged snow-capped mountains, shimmering fjords and lakes, and emerald greenery. It is famously known for its towering Mitre Peak, and waterfalls like Stirling and Bowen falls, which plummet down its sheer sides." (Overnight Te Anau) BD

Invercargill – 1 night

Day 11: Monday 24 November, Te Anau – Lumsden – Wyndham – Invercargill

- Castlemaine Garden, Lumsden
- Maple Glen Gardens, Wyndham

We start the day with a visit to Castlemaine Garden. Sharon and Peter have developed this garden over the last 26 years. A large macrocarpa hedge, providing shelter from strong winds, inspired a protected country garden with a formal touch in places, including an English garden area. Long cold winters and often mild to very dry summers are normal in this area. At 200 metres above sea level and inland, Castlemaine is subject to hard frosts and quite a bit of snow at times. Springtime is always a lovely time in the garden with bulbs, prunus trees, rhododendrons, wisteria, laburnum, alliums, peonies, irises, and the beginning flowering for roses, clematis and other perennials.

We continue south to Maple Glen, a private garden, nursery, aviary, woodland and wetland set in the rolling green countryside of Southland. The garden is home to a large population of native and exotic birds including hand-reared parrots and waterfowl. Established in the early 1970's by Bob and Muriel Davison, this 25-acre garden which developed in a curving glen, includes massive collections of spring bulbs, perennials, magnolias, dogwoods, rhododendrons and azaleas, exotic trees, maple trees and several lakes. The annual rainfall here is 1,100 mm allowing the European and cool loving plants to thrive. Conifers and other trees were planted for winter interest with an excellent range of spring flowering trees and autumn leaf colouring trees planted for year round colour. Around the ponds and lakes they have planted masses of astilbes, bog primula, daffodils and bluebells.

From Maple Glen we continue to Invercargill, the southernmost city in New Zealand. Victorian, Edwardian and Art Deco heritage buildings give the city a charming old-world character. (Overnight Invercargill) BD

Dunedin – 2 nights

Day 12: Tuesday 25 November, Invercargill – The Catlins – Dunedin

- Waipapa Point Lighthouse
- Curio Bay Fossilised Forest
- Purakaunui Falls Forest Walk
- Nugget Point Lighthouse

Today is spent exploring The Catlins, a rugged, sparsely populated area, located in the southeastern corner of New Zealand's South Island. The area features spectacular coastal scenery and dense temperate rainforest. It is also harbours many endangered species of birds including the rare yellow-eyed penguins, and numerous marine mammals including New Zealand fur seals and Hooker's sea lions.

We depart Invercargill early this morning and drive approximately 60km to the Waipapa Point Lighthouse. First lit in 1884, this wooden lighthouse was constructed in response to one of New Zealand's worst shipping disasters; the wreck of the passenger steamer Tararua on the rocky reefs off Waipapa Point in 1881. A short walkway leads us to the beach where Hooker's sea lions may often be viewed.

From Waipapa Point we continue our journey around the coast to Curio Bay. During low tide, the fossilised remains of an ancient forest is exposed. This is one of the most extensive and least disturbed examples of a Jurassic fossil forest in the world and stretches about 20 kms from Curio Bay south west to Slope Point. 180 million years ago the Curio Bay area was a broad forested coastal floodplain. During this time, the middle Jurassic period, New Zealand was part of the ancient super-continent known as Gondwana. The forest predominantly consisted of trees forming a low canopy and undergrowth dominated by ferns. Over time, massive sheet floods of volcanic debris are believed to have destroyed the forest. In the millions of years since, the sediments were buried deeply and eventually turned the wood to rock. In some places fern fronds and leaves have been preserved as fossils within the mudstone rocks.

From Curio Bay we make the short drive to Purakaunui Falls where we take an easy 30-minute forest walk to view the most striking of The Catlins' waterfalls.

Further around the coast we visit the Department of Conservation Wildlife Reserve at Nugget Point which has dramatic views of "The Nuggets." These wave-eroded rocks, which are likened to the shape of gold nuggets, can be seen from the viewing platform at the Nugget Point Lighthouse. Along the way to the lighthouse you may see the fur seal colony on the rocks at sea level to the left of the track and also below the lighthouse, or the many seabirds that make The Nuggets their home. (Overnight Dunedin) BL

Day 13: Wednesday 26 November, Dunedin – Otago Peninsula – Dunedin

- Hereweka garden
- Guided tour and lunch at Larnach Castle
- Royal Albatross Centre

This morning we drive to Hereweka garden set in a hidden valley below the prominent feature of Harbour Cone on the picturesque Otago Peninsula. The gently sloping hillside is planted with a wide variety of rhododendrons and many interesting trees and shrubs. Around the house there are wide borders

containing perennials, old fashioned roses, lilies and an excellent collection of snowdrops and other bulbs. Hellebores are a particular speciality at Hereweka and a late winter visit is well rewarded though the garden peaks over spring and summer. A fascinating collection of plants with a Gondwana theme including palms, cordylines and tree ferns is well established in a side valley. The garden is partly surrounded by regenerating native bush which includes a stand of mature rimu and pokaka trees, the last such remnant on the Otago Peninsula.

We then drive a short distance to the magnificent Larnach Castle, built in 1871 by William Larnach, a merchant baron and politician. Located at an altitude of three hundred metres overlooking the Otago peninsula, this grand mansion has spectacular views. It is surrounded by one of New Zealand's greatest gardens that boasts a unique collection of plants seldom seen elsewhere. Cupressus macrocarpa (Monterey cypress) and a cedar, planted over one hundred years ago to provide shelter, give the garden an air of maturity. We will tour the house, which has an excellent collection of New Zealand antique furniture, and the extensive garden.

In the late afternoon we continue our scenic drive along the Otago Peninsula to the Royal Albatross Centre to visit the only mainland breeding colony of Royal Albatross in the world. We will take a tour of the centre, watch a David Attenborough film and take a guided walk with a ranger around the colony. (Overnight Dunedin) BL

Oamaru – 1 night

Day 14: Thursday 27 November, Dunedin – Waitaki Bridge – Oamaru

- Dunedin Botanic Garden: Guided Horticultural Tour
- Riverstone Kitchen: Guided tour of the vegetable gardens and lunch

We start the day with a short drive to the Dunedin Botanic Garden. This is New Zealand's oldest public garden and holds the status of six-star Garden of International Significance. Occupying 30.4 hectares at an altitude of 25-28 metres above sea level, the garden features more than 6800 plant species and the song of wild native bellbirds, wood pigeons and tui. It offers formal garden beds on flat land and also more naturalistic plant collections on a sun-facing slope. Native birds can also be seen in the aviary. An important aspect of The New Zealand Native plant collection is the cultivation of rare and endangered native plant species. The garden reflect the Victorian penchant for collecting plants and includes specimens from temperate climates of North Asia, the South, Central and North Americas, Southern Africa, the Himalayas and the Mediterranean.

After exploring Dunedin Botanic Garden, we continue to Riverstone Kitchen and tour its gardens and orchards filled with vegetables, fruits and herbs. Opened in 2006 by chef Bevan Smith and his wife, the restaurant was named Supreme Winner in the Cuisine New Zealand Restaurant of the Year Awards in 2010. The success of Riverstone Kitchen is cultivated by Bevan and Monique's adherence to their simple philosophy: to make good food using ethically produced and locally grown ingredients. All ingredients are sourced either from the castle's gardens or from local farmers and growers. We will also enjoy lunch there.

After lunch we continue our journey to Oamaru, our stop for the night, well known for its 1930's simple modernist art deco architecture. (Overnight Oamaru) BL

Lake Tekapo – 2 nights

Day 15: Friday 28 November, Oamaru – Lake Pukaki – Lake Tekapo

- Lake Pukaki Lookout
- Church of the Good Shepherd, Lake Tekapo
- Aoraki Mackenzie International Dark Sky Reserve, Summit Experience with the University of Canterbury Mt John Observatory

This morning we take a scenic drive to the Mackenzie Region, which is situated in the heart of the South Island. Sparsely populated, with amazing wide-open spaces, the region is ringed by snow-capped mountains and features turquoise-blue lakes, fed by meltwater from the surrounding Hooker and Tasman Glaciers. Our journey takes us past Lake Aviemore and Lake Benmore to Lake Pukaki, Mackenzie's largest lake. From the Lake Pukaki Lookout we may view this vast jewel of surreal colour with New Zealand's tallest peak, Aoraki Mount Cook in the background. We also visit the iconic Church of the Good Shepherd on Lake Tekapo, built in 1935 as a memorial to the pioneers of the Mackenzie Country.

The Mackenzie Region has been recognised as an International Dark Sky Reserve, the largest in the world and the only one in the Southern Hemisphere. The region has one of the most pristine night skies in the world. After checking in to our resort hotel we will discover the magic of the night sky at the world-renowned astronomical centre: University of Canterbury Mt John Observatory. Here, talented astrophotographers will share the science and stories of our Southern skies. The Mackenzie region is an alpine environment meaning it is cool at night; please remember to bring a jacket suitable for cold weather! (Overnight Lake Tekapo) BL

Day 16: Saturday 29 November, The Mackenzie Region

- Aoraki/Mount Cook National Park Visitor Centre
- Nature walks: The Kea Point walk & The Tasman Glacier Track
- Farewell Dinner

We spend the day exploring the Aoraki/Mount Cook National Park, an expanse of untouched, breathtaking, alpine landscape extending over more than 700km in the Mackenzie region. A rugged land of ice and rock, the park includes 19 peaks over 3000 metres including New Zealand's highest mountain, Aoraki/Mount Cook. We begin by visiting the spectacular Visitor Centre where a local ranger will introduce us to the park's natural and human history. There will also be time to view the various interpretation exhibits and artwork collection.

After lunch we'll explore some of the walking tracks that lead to alpine tarns with spectacular views, perfect for avid photographers. Tonight we celebrate the end of our tour with a final farewell meal. (Overnight Lake Tekapo) BLD

Depart Christchurch

Day 17: Sunday 30 November, Lake Tekapo – Ashburton – Christchurch Airport

- Trott's Garden, Ashburton
- Afternoon transfer to Christchurch Airport

This morning we travel to Ashburton to visit the award-winning garden of Alan and Catherine Trott, one of the most inspiring and extensive private gardens in New Zealand, covering over 2.8 hectares. The Trotts have combined formal herbaceous borders with woodland and water gardens that are quite outstanding. A designed garden from its inception, it leads the visitor through a series of different garden spaces that are carefully revealed. The garden is a blend of intense plantings, sweeping lawns and extensive water areas,

which are all well balanced, creating a delightful rhythm to the overall design. The features a fine collection of plants including over 50 species of magnolia, 70 different maples and hundreds of different shrubs and woodland species. Structural elements including a dovecote, boardwalk, gazebo and climbing frames, all add extra highlights to the garden. A chapel built in 1916 and moved to the garden in 1999 is set against a hedged garden. It features an interior of superb native New Zealand timbers. The area of the garden surrounding the old cobbled stables is a specialist nursery.

After a light lunch at Trott's Garden we proceed to Christchurch airport arriving at approximately 2.30pm.
BL

Accommodation

ASA has selected 3- to 4-star hotels that are themselves historical buildings and/or are located in historical centres. All rooms include en suite bathroom.

- Christchurch (2 nights): 4-star [Crowne Plaza Christchurch](#) – a contemporary hotel located in the city centre, offering modern rooms with beautiful views of the city.
- Blenheim (2 nights): 4-star [Chateau Marlborough](#) – a boutique hotel located in the heart of Marlborough Wine Country.
- Hokitika (1 night): 3-star [Beachfront Hotel](#) – a modern hotel located right on the beach.
- Lake Moeraki (2 nights): 4-star [Lake Moeraki Wilderness Lodge](#) – New Zealand's premier boutique nature lodge, located alongside the Moeraki River, surrounded by ancient rainforests of Te Wāhipounamu World Heritage Area.
- Queenstown (2 nights): 4-star [Copthorne Hotel and Resort Lakefront Queenstown Lakefront](#) – close to the shores of Lake Wakatipu and 5 minutes' walk from the town.
- Te Anau (1 night): 4-star [Distinction Te Anau Hotel & Villas](#) – located on the Te Anau lake front, a short stroll from the town centre.
- Invercargill (1 night): 4-star [Ascot Park Hotel](#) – located 5km from the city centre, offering onsite restaurant and bar.
- Dunedin (2 nights): 4-star [Distinction Dunedin Hotel](#) – housed in Dunedin's former Chief Post Office; and within easy walking distance to The Octagon, theatres and shops.
- Oamaru (1 night): 3-star [The Brydone Hotel](#) – located in the city centre.
- Lake Tekapo (2 nights): 4-star [Peppers Bluewater Resort](#) – a modern hotel close to the shores of Lake Tekapo ideally positioned for exploring the Mackenzie region and Southern Alps.

Note: *Hotels are subject to change, in which case a hotel of similar standard will be provided.*

Single Supplement

Payment of this supplement will ensure accommodation in a double/twin room for single occupancy throughout the tour. People wishing to take this supplement are therefore advised to book well in advance.

Tour Map

Fitness Criteria & Practical Information

Fitness Level

Level 1 - Active

For people with active lives and good mobility

You must be able to:

- manage at least five hours of physical activity per day with ease
- walk at a regular pace (some days up to 5-7km) along forest tracks or garden trails often up and down hills on uneven terrain. For the optional walk at Lake Moeraki you need to be a good walker and navigate uneven tracks, boardwalks, bridges and streams.
- keep up with the group at all times.
- cope with extensive coach travel often on minor roads with some travel along steep and winding mountain roads.
- cope with a more demanding tour schedule which regularly involves an early-morning departure (between 8.00-8.30am and on some days at 7.00am), concluding in the late afternoon (between 5.30-6.30pm).
- manage your own luggage at some hotels.

Fitness Levels

Please also view the fitness criteria required for our tours, graded from Level 1 to Level 3, at www.asatours.com.au/fitness-level/

All ASA tours are active programs suitable for people with a good level of mental and physical fitness and good mobility. They are not suitable for people who lack stamina, have difficulty walking at the group's pace or who have mobility issues. An unavoidable aspect of every tour is the need to manage walking, stair-climbing and standing for long periods of time.

It is a condition of travel that all participants agree to accept ASA's directions in relation to their suitability to participate in activities undertaken on the tour, and that ASA retains the sole discretion to direct a tour participant to refrain from a particular activity on part of the tour. Before enrolling on an ASA tour please read the fitness requirements carefully.

Booking Conditions

ASA RESERVATION APPLICATION FORM

Please complete the ASA RESERVATION APPLICATION and send it to Australians Studying Abroad together with your non-refundable deposit of AUD \$1000.00 per person payable to Australians Studying Abroad.

Reservation Application

TOUR NAME _____

The purpose of seeking this information is to assist ASA to determine, where necessary, whether ASA is able to make reasonable adjustments to accommodate your specific needs and whether your health and safety (or that of your fellow travellers) is likely to be compromised given your choice of tour. It will also assist you and ASA if you fall ill or have an accident whilst travelling.

- ASA reserves the right to decline your Reservation Application if this Medical Information section is not completed properly and may reject or cancel your reservation, or terminate your participation on any tour, if ASA subsequently learns that you have failed to make full and proper disclosure.
- ASA is committed to protecting the privacy of your personal information. ASA's privacy policy is available for viewing at www.asatours.com.au
- If ASA has any concerns about the information you have provided, it will contact you to request clarification before considering your Application.
- ASA requires you to consider carefully your limitations in light of ASA's Physical Endurance Star Rating System in ASA's Brochure and Itinerary when choosing your tour.
- If you are not likely to satisfy ASA's Participation Criteria (see below), ASA, in its sole discretion, may reject your Reservation Application.
- It is a condition of your tour that you agree to accept the directions of ASA's Tour Leaders in relation to your suitability to participate in activities planned on tour.
- ASA reserves the right to cancel your participation on a tour if your behaviour is in ASA's opinion causing undue distress or damage to any person or their property.
- If your participation is discontinued during a tour, ASA will assist by arranging your onward travel (if required) at your own cost, but you will not be refunded for forfeited parts of the tour.
- ASA tour groups are not accompanied by a medical practitioner. ASA recommends that you see your doctor for advice about your specific needs while overseas. You may also wish to contact a travel and vaccination clinic for advice. www.traveldoctor.com.au tel: 1300 658 444; www.travelvax.com.au tel: 1300 360 164.
- Travel insurers require you to declare all existing medical conditions.
- Please carry a complete list of medications with you during the ASA tour. Include **generic names** of each medication (consult your local pharmacy for information).

Please mark **X** in the YES or NO box to every question below and provide details where necessary:

Participation Criteria

To participate in an ASA tour, you must be reasonably fit, in good health and able to participate in all activities without assistance from Tour Leaders or other tour members. **You must also be fully vaccinated against Covid-19.** If you require assistance, a fit and able travel companion must undertake to accompany and assist you with all tasks for the duration of the whole tour. The responsibility of the Tour Leader is to ensure that the larger group enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing individual assistance to any one guest.

- | | YES | NO |
|---|-----------------------|-----------------------|
| 1. Can you walk and stand unassisted for at least 2-3 hours a day in hot, humid conditions? | <input type="radio"/> | <input type="radio"/> |
| 2. Can you walk unassisted on and over uneven surfaces? | <input type="radio"/> | <input type="radio"/> |
| 3. Can you climb at least 3 flights of stairs and/or walk up and down steep slopes unassisted? | <input type="radio"/> | <input type="radio"/> |
| 4. Can you walk at a steady pace and no less than 1km every 15 - 20 minutes unassisted? | <input type="radio"/> | <input type="radio"/> |
| 5. Can you organise, manage and carry your own luggage? | <input type="radio"/> | <input type="radio"/> |

Mobility and Fitness

As many of ASA's international sites do not provide access to wheelchairs or similar mobility aids, we regret that ASA tours are not suitable for people who require the use of a walking frame, wheeled walker, wheelchair or motorised scooter.

1. Do you suffer from any medical conditions that may compromise your mobility and/or fitness to participate on this program? YES ☐ NO ☐
- If yes, please specify _____

If yes, how will you manage this on tour? _____

Allergies and/or Food Intolerances

ASA will make reasonable endeavours to organise meals to suit you, provided that you give ASA adequate notice of your specific dietary requirements or allergies. You may be required to research dietary alternatives, as not all destinations may be able to offer suitable food substitutes.

1. Do you have any food allergies or intolerances? YES ☐ NO ☐
- If yes, please specify _____

2. Have you ever had an anaphylactic reaction to anything? ☐ ☐
- If yes, please specify _____

Do you carry an epipen? ☐ ☐

3. Do you have any other allergies or reactions to anything, including medical drugs? ☐ ☐
- If yes, please specify _____

Existing Medical Conditions

You alone are responsible for managing any existing medical conditions, your medication and any medical equipment that you may need when on your tour. Please plan for contingencies and take extra medication, dietary supplements and/or fully charged batteries for medical equipment if your health and safety depends on these. You should take into consideration that power sources at some destinations may be unavailable, inadequate, inconvenient or unreliable.

1. Have you any significant medical conditions that may impact your capacity to complete this tour? YES ☐ NO ☐
- If yes, please specify _____

If yes, how will you manage this on tour? _____

2. Do you require some form of powered medical aid, such as a CPAP machine? ☐ ☐

These machines may not be operable on certain international flights, modes of transport, in remote or other areas with inadequate or unreliable power sources without a fully charged independent long life battery or batteries.

Diabetics: You may be travelling and sightseeing for many hours at a time. Insulin dependent diabetics must carry extra supplies of insulin (as this medication cannot be obtained in some destinations), regulators, applicators, storage and refrigeration equipment, as well as any necessary supplements. Accommodation may not provide refrigerators in rooms.

3. Are you diabetic? ☐ ☐
- Are you insulin dependent? ☐ ☐
4. Do you suffer from travel sickness? ☐ ☐
- Remember to use an appropriate medication while on tour.

Declaration

I declare that: I have read and understood the ASA Tour Itinerary, Reservation Application and Booking Conditions. I am aware of ASA's terms as relating to refunds, cancellations, responsibility and liability. I understand that ASA relies upon this declaration when considering this Application. I accept the inherent dangers, risks and uncertainties in travel and those beyond ASA's control and understand they may occur before or during any tour. I have made full and complete disclosure and have not knowingly withheld any medical information about myself from ASA. I have completed this Reservation Application honestly and accurately. I warrant that I am able to participate independently in all activities described by ASA in the itinerary without assistance from any person.

I will advise ASA in writing if any aspect of my fitness and or health conditions change materially at any time before my departure date. I understand and accept that the itinerary, accommodation and lecturers scheduled for this tour may change.

I agree and consent that ASA may give my personal information in this Reservation Application to tour service providers and relevant authorities as required by law, but only for the purpose of making bookings with and engaging services associated with the tour. I understand that if I do not consent to the use of my personal information for this purpose, ASA will decline my Reservation Application.

In consideration of ASA's acceptance of my Reservation Application, I irrevocably release and indemnify ASA from all claims that I, or any other party, may have against ASA its employees, invitees, agents and contractors, however arising in respect of any loss, damage, injury, death or expense incurred in the course of booking, preparing for, travelling to, on and from or cancelling any tour.

I release and indemnify ASA with respect to:

1. Every general risk to which I or my personal belongings may be exposed in the course of preparing for, travelling to, on or from any ASA tour;
2. Every special risk, in particular medical risks, to which I may be exposed in the course of preparing for, travelling to, on or from any ASA tour arising from, including, but not limited to:
 - a. intermittent power cycles and/or the temporary or permanent loss of power (beware CPAP or any other medical machine users);
 - b. dietary, food or other allergies (ASA cannot guarantee that traces of items to which you are allergic are not present in food or drink you are served, medication you are administered or other substances with which you may come into contact);
 - c. any event or situation that may compromise the administration of necessary medication or my health, safety and wellbeing generally; and
 - d. any event or happening beyond ASA's control
3. All claims arising as a result of my or ASA's cancellation or termination of any tour, part of a tour or of my continued participation on a tour for any reason (subject to ASA's refund conditions below).

Limitation of Liability

ASA is not a carrier, event or tourist attraction host, accommodation or dining service provider. All bookings made and tickets or coupons issued by ASA for transport, event, accommodation, dining and the like are issued as an agent for various service providers and are subject to the terms and conditions and limitations of liability imposed by each service provider. ASA is not responsible for their products, services, terms and conditions. If a service provider cancels or does not deliver the product or service for which you have contracted, and does not give a refund, your remedy lies with the service provider, not ASA.

ASA will not be liable for any claim (e.g. sickness, injury, death, damage or loss) arising from any change, delay, detention, breakdown, border closures, cancellation, failure, accident, act, omission or negligence of any tour service provider or authority however caused (contingencies). You must take out such travel insurance as is available against such contingencies.

ASA's liability in respect of any tour cancelled or changed will be limited to the partial refund of amounts you have paid, less an administration fee of \$500 and other costs and charges of third party service providers. No compensation will be payable to you by ASA where ASA cancels or changes a tour, or any part of a tour.

ASA reserves the sole discretion to cancel any tour or to modify itineraries in any way it considers appropriate and in the best interests of health, safety and wellbeing of tour participants. Tour costs may be revised, subject to unexpected price increases or exchange rate fluctuations.

Booking Conditions

DEPOSITS

A non-refundable deposit of \$1000.00 AUD per person is required to reserve a place on an ASA tour.

CANCELLATION FEES

If you cancel your booking the following charges apply:

More than 75 days before departure: your initial deposit of \$1000.00 is non-refundable.**

75-31 days prior 50% of total amount due

30-0 days prior 100% of total amount due

**\$500.00 of this amount (ie 50% of your deposit) may be credited to another ASA tour departing within 12 months of the original tour you booked. We regret, in this case early-bird discounts will not apply.

We take the day on which you cancel as being that on which we receive written confirmation of cancellation.

UNUSED PORTIONS OF THE TOUR

We regret that refunds will not be given for any unused portions or services of the tour, such as meals, entry fees, accommodation, flights or transfers.

WILL THE TOUR PRICE OR ITINERARY CHANGE?

If the number of participants on a tour is significantly less than budgeted, or if there is a significant change in exchange rates ASA reserves the right to amend the advertised price. We shall, however, do all in our power to maintain the published price. Occasionally circumstances beyond the control of ASA make it necessary to change airline, hotel or to make amendments to itineraries. We will inform you of any changes in due course.

TRAVEL INSURANCE

ASA requires all participants to obtain comprehensive travel insurance. A copy of your travel insurance certificate and the **reverse charge** emergency contact phone number must be received by ASA no later than 75 days prior to the commencement of the tour.

FINAL PAYMENT

The balance of the tour price will be due 75 days prior to the tour commencement date.
