We view some of the city's finest 19th-century architecture whose style is distinctive, quite unlike the colonial architecture of Sydney and Melbourne. Day 2: Thursday 16 September, Adelaide

There will be time to further explore this, one of Australia's largest and finest collections.

We shall walk to the Botanic Gardens of South Australia. In exploring the Gardens, we shall focus upon the extraordinary Santos Museum of Economic Botany – the last museum of its kind in the world. Much of the museum's collection dates back over 130 years and showcases countless plants and their various uses. Papier-mâché models of fruit, cabinets of curiosities and even displays of model fungi are displayed in the museum's lovely original (restored) classical building. (Overnight Adelaide) B

#### Day 3: Friday 17 September, Adelaide

- St Peters Anglican Cathedral, North Adelaide
- The David Roche Foundation: tour of House and Collection
- St Andrews Church, Walkerville
- All Souls Church, St Peters
- Marble Hill: tour of house and evening reception (private home, by special appointment)

Adelaide is a city of fine houses and churches. We begin by visiting the Friends Meeting House. This simple, wooden prefabricated building from London that sits in the shadow of St Peters Cathedral, reflects the history of the Quakers in Adelaide. We next visit the adjacent cathedral that was originally designed by the famous English Gothic Revival architect, William Butterfield. It has a very rich interior with a splendid stained-glass rose window of the Arts and Crafts movement.

We then walk to Fermoy House, run by the David Roche Foundation. David Roche amassed one of Australia's greatest private decorative arts collections, which are housed in the house's opulent interior and in an adjoining gallery.

After lunchtime at leisure we visit two nearby churches with magnificent stained-glass windows – St Andrews Church in Walkerville and All Souls Church, St Peters. These fine buildings are illuminated by beautiful windows by the great Pre-Raphaelite master, Sir Edward Burne-Jones (1833 – 1898) and from the workshop of Morris and Co.

Our final visit today is to Marble Hill, the original Scottish Baronial summer residence of the State's governors. Badly damaged by fire in 1955, it is currently being restored to its former glory. Marble Hill's vineyard has a reputation for fine wine. We shall sample some of its wines at a special reception held at the house. (Overnight Adelaide) B

Day 5: Sunday 19 September, Bungaree Station – Burra – Mintaro – Bungaree Station

- Burra Mine Open Air Museum
- Historic Township of Burra
- Martindale Hall, Mintaro
- Bungaree Station Tour

We spend the morning at the Historic township of Burra, famous for its copper mines and heritage architecture. Burra is so important to our architectural heritage that Australia's major conservation charter, based upon the Venice Charter, was named after the town.

Cornwall had been a major exporter of tin to Europe and the Middle East since antiquity, when it was a vital ingredient of bronze. It is understandable that Cornish miners should migrate to work South Australia's rich mineral deposits. Margaret Heathcote, a conservation architect, will introduce the architecture of mining and that of this historic town.

After lunchtime at leisure in Burra, we drive to Mintaro where we visit the historic mansion, Martindale Hall. This fine Georgian-style home is of great heritage value to the state. Built for the wealthy pastoralist Edmund Bowman Jr, the 32 room mansion was design by Ebenezer Gregg and completed in 1840 for the vast sum of £30,000. The hall may be familiar to you – it appeared as 'Appleyard College' in the 1975 film *Picnic at Hanging Rock*.

We shall return by coach to Bungaree Station, where we shall enjoy a tour of this fascinating working station, followed by a group meal that celebrates the marvellous local produce of the region. (Overnight Bungaree Station) BD

Today we drive south through the Adelaide Hills to Mount Lofty. Our first stop along the way is Anlaby

Station. Founded in 1839, this is the oldest Merino stud in South Australia. The grand old homestead is surrounded by 10 acres of gardens that are at present being restored. We shall tour the house and its lovely gardens and then drive to Seppeltsfield winery. Founded in 1851, this is one of Australia's oldest and most famous wineries. We shall eat lunch at Seppeltsfield's Fino Restaurant before driving south through the Adelaide Hills to Mount Lofty House, built in 1852 as a grand summer residence. After check-in and time to enjoy this boutique hotel and its lovely grounds, we shall enjoy a group meal. (Overnight Mount Lofty) BLD

- Stirling township
- St Vigeans, Stirling (private garden, by special appointment)
- Magnolias Garden, Stirling (private garden, by special appointment)
- Dinner at Mount Lofty House

This morning we drive to the historic town of Hahndorf. After strolling down the town's main street, we shall enjoy a cheese tasting in the cellar of 'Udder Delight', which has been producing fine cheese from cow- and goat milk for over 20 years. We next drive the short distance to Hans Heysen's family home and studio, 'The Cedars'. From 1912, this renowned landscape painter and his large family lived here. We shall visit Heysen's studio and the family house which retains its original furniture and displays some 200 works by the artist and his famous daughter, Nora.

We next drive to Stirling where there will be time at leisure for lunch. In the afternoon, we shall visit two fine private gardens, St Vigeans House and Garden and Magnolias garden owned by the Heathcotes' friends, the Kennedys. St Vigeans was built in the early 1880s by Dr Edward Charles Stirling, a fellow of the Royal Horticultural Society of London. He developed its fine 6.5-acre garden where he grew South Australia's first rhododendrons. We then visit the Kennedy's lakeside garden, finishing the day with a convivial glass of local wine before returning to Mount Lofty House for dinner. (Overnight Mount Lofty) BD

#### Victor Harbor - 2 nights

#### Day 8: Wednesday 22 September, Mount Lofty – Biggs Flat – Mount Barker – Victor Harbor

- Jurlique Farm, Biggs Flat
- Auchendarroch House, Mount Barker
- Ukaria Culture Centre Garden
- Mandalay, Mount Barker (private garden, by special appointment)

Our first visit today is to the biodynamic farm where the ingredients of South Australia's famous natural Jurlique skin care products are grown. A tour will identify for you the plants that are used to create different skin products. We next drive a very short distance to Auchendarroch House in Mount Barker. Built in 1860 by Scottish immigrant, Lachlan McFarlane, the house was originally the Oakfield Hotel until 1878 when Robert Barr Smith, a wealthy businessman and philanthropist, bought it and converted it to a summer residence. He had his house extensively decorated in the Arts and Crafts style; all wallpapers, fabrics, furnishing and carpets were bought from Morris & Co. The original hand-blocked 'Spring Thicket' wallpaper still adorns its Ballroom. Its name 'Auchendarroch' in Scottish-Gaelic means 'holy place of the oaks'.

We shall eat a light lunch at the Ukaria Cultural Centre. Ukaria is both a performance and art hub, with a special auditorium for chamber music. Ulrike Klein from Jurlique Farm commissioned the particularly fine

garden that surrounds the building that focuses on honing your senses as you stroll around its winding paths.

Our final visit today is to Mandalay House, a stately, French-inspired house surrounded by huge manicured gardens, criss-crossed with small pathways. After exploring this beautiful garden, its flowerbeds, bower, pond, fountain and sculptures, we drive to Victor Harbor. (Overnight Victor Harbor) B

#### Day 9: Thursday 23 September, Victor Harbor – Goolwa – The Coorong – Victor Harbor

- Encounter Bay
- 'Cockle Train' from Victor Harbor to Goolwa
- Goolwa township
- Signal Point Gallery, Goolwa
- Afternoon Coorong Discovery Cruise (3.5 hours)

We begin today by driving to Encounter Bay, at the mouth of the Murray River. The bay was named by Matthew Flinders after his encounter on 8 April 1802 with the great French explorer, Nicolas Baudin. We then board the historic 'Cockle Train' to for a trip along the coastline to Goolwa. Here we shall visit the Signal Point Gallery, located in the town's picturesque Wharf Precinct. The Gallery exhibits contemporary artists from across the region as well as mounting national touring exhibitions.

This afternoon we embark on a cruise of the Coorong, the RAMSAR-listed wetland that provided the setting for Colin Thiele's classic *Storm Boy*. It is home to vast colonies of birds, most famously the pelican, as well as migratory wading birds, and you may also spot fur-seals as the boat meanders along the waterways of the Coorong National Park, following the last kilometres of the Murray River to the river's mouth. ## Physical Endurance & Practical Information

Physical Ratings 

The number of flags is a guide to the degree of difficulty of ASA tours relative to each other (not to those of other tour companies). It is neither absolute nor literal. One flag is given to the least taxing tours, seven to the most. Flags are allocated, above all, according to the amount of walking and standing each tour involves. Nevertheless all ASA tours require that participants have a good degree of fitness enabling 2-3 hours walking or 1-1.5 hours standing still on any given site visit or excursion. Many sites are accessed by climbing slopes or steps and have uneven terrain.

This 11-day Cultural Tour of South Australia involves:

- A moderate amount of walking mainly during outdoor site visits, often up and down hills and/or flights of stairs and uneven terrain.
- A moderate amount of coach travel, several on winding mountainous roads
- The daily schedule generally involves an morning departure (between 8.30-9.00am), concluding in the late afternoon (between 5.00-5.30pm).
- 3- to 5-star hotels with 4 hotel changes
- You must be able to carry your own hand-luggage. Hotel portage only includes 1 piece of luggage per person.

It is important to remember that ASA programs are group tours, and slow walkers affect everyone in the group. As the group must move at the speed of the slowest member, the amount of time spent at a site may be reduced if group members cannot maintain a moderate walking pace. ASA tours should not present any problem for active people who can manage day-to-day walking and stair-climbing. However, if you have any doubts about your ability to manage on a program, please ask your ASA travel consultant whether this is a suitable tour for you.

Please note: it is a condition of travel that all participants agree to accept ASA's directions in relation to

their suitability to participate in activities undertaken on the tour, and that ASA retains the sole discretion to direct a tour participant to refrain from a particular activity on part of the tour. For further information please refer to the ASA Reservation Application Form.

Prior to departure, tour members will receive practical notes which include information on weather, clothing and what to pack.

## Declaration

I declare that: I have read and understood the ASA Tour Itinerary, Reservation Application and Booking Conditions. I am aware of ASA's terms as relating to refunds, cancellations, responsibility and liability. I understand that ASA relies upon this declaration when considering this Application. I accept the inherent dangers, risks and uncertainties in travel and those beyond ASA's control and understand they may occur before or during any tour. I have made full and complete disclosure and have not knowingly withheld any medical information about myself from ASA. I have completed this Reservation Application honestly and accurately. I warrant that I am able to participate independently in all activities described by ASA in the itinerary without assistance from any person.

I will advise ASA in writing if any aspect of my fitness and or health conditions change materially at any time before my departure date. I understand and accept that the itinerary, accommodation and lecturers scheduled for this tour may change.

I agree and consent that ASA may give my personal information in this Reservation Application to tour service providers and relevant authorities as required by law, but only for the purpose of making bookings with and engaging services associated with the tour. I understand that if I do not consent to the use of my personal information for this purpose, ASA will decline my Reservation Application.

In consideration of ASA's acceptance of my Reservation Application, I irrevocably release and indemnify ASA from all claims that I, or any other party, may have against ASA its employees, invitees, agents and contractors, however arising in respect of any loss, damage, injury, death or expense incurred in the course of booking, preparing for, travelling to, on and from or cancelling any tour.

I release and indemnify ASA with respect to:

1. Every general risk to which I or my personal belongings may be exposed in the course of preparing for, travelling to, on or from any ASA tour;
2. Every special risk, in particular medical risks, to which I may be exposed in the course of preparing for, travelling to, on or from any ASA tour arising from, including, but not limited to:
  - a. intermittent power cycles and/or the temporary or permanent loss of power (beware CPAP or any other medical machine users);
  - b. dietary, food or other allergies (ASA cannot guarantee that traces of items to which you are allergic are not present in food or drink you are served, medication you are administered or other substances with which you may come into contact);
  - c. any event or situation that may compromise the administration of necessary medication or my health, safety and wellbeing generally; and
  - d. any event or happening beyond ASA's control
3. All claims arising as a result of my or ASA's cancellation or termination of any tour, part of a tour or of my continued participation on a tour for any reason (subject to ASA's refund conditions below).

## Limitation of Liability

ASA is not a carrier, event or tourist attraction host, accommodation or dining service provider. All bookings made and tickets or coupons issued by ASA for transport, event, accommodation, dining and the like are issued as an agent for various service providers and are subject to the terms and conditions and limitations of liability imposed by each service provider. ASA is not responsible for their products, services, terms and conditions. If a service provider cancels or does not deliver the product or service for which you have contracted, and does not give a refund, your remedy lies with the service provider, not ASA.

ASA will not be liable for any claim (e.g. sickness, injury, death, damage or loss) arising from any change, delay, detention, breakdown, border closures, cancellation, failure, accident, act, omission or negligence of any tour service provider or authority however caused (contingencies). You must take out such travel insurance as is available against such contingencies.

ASA's liability in respect of any tour cancelled or changed will be limited to the partial refund of amounts you have paid, less an administration fee of \$500 and other costs and charges of third party service providers. No compensation will be payable to you by ASA where ASA cancels or changes a tour, or any part of a tour.

ASA reserves the sole discretion to cancel any tour or to modify itineraries in any way it considers appropriate and in the best interests of health, safety and wellbeing of tour participants. Tour costs may be revised, subject to unexpected price increases or exchange rate fluctuations.
