## Leaders

### Stephen Crafti

An Honorary Member of the Australian Institute of Architects, Stephen is a leading architecture & design writer of over 50 books & many articles including for 'The Age', 'Sydney Morning Herald' & 'Wallpaper' magazine (London), Stephen has pioneered ASA's new special design tours to London, Glasgow, Japan, Belgium, Finland & Auckland, as well as Australian programs to Hobart & Sydney.

Stephen Crafti is a leading Architecture & Design Writer. With more than 50 books to his name and writing for Australia's leading newspapers and magazines, including the *Sydney Morning Herald*, *The Age*, *Habitus* and *Wallpaper*, Stephen is highly regarded in his field. Whether it's writing about a contemporary home or a design luminary, he makes the subject both intriguing and highly accessible. He started writing on architecture and design in the early 1990s, after purchasing a modernist 1950s home. "I've always been drawn to design, whether it's a building, an interior, a beautifully crafted chair or fashion. I'm fascinated with the stories behind each creation. I never stop looking. It's a continual search for the best in design, whether in Australia or overseas".

Stephen Crafti also produces and hosts 'Talking Design', a popular fortnightly RMIT podcast, which features interviews with experts and professionals from all areas of the design world. To listen, please visit: [www.rmit.edu.au/news/podcasts/talking-design](http://www.rmit.edu.au/news/podcasts/talking-design)

In 2021 he was awarded an Honorary Membership of the Australian Institute of Architects. "This award recognises your significant and substantial contribution to architecture through your work as one of Australia's leading architecture and design writers, and as a perceptive and informed commentator bringing architecture to a wider Australian audience. Additionally, your carefully curated architectural tours offer the public a highly tangible experience of architecture".

## Itinerary

The following itinerary describes a range of private projects we plan to view, and a number of key designers we hope to meet. At the time of publication (7 May 2025) most architectural projects had been confirmed, however a few visits may only be confirmed closer to the tour's departure in 2026. The daily activities described in this itinerary may change or be rotated and/or modified in order to accommodate alterations in opening hours, flight schedules and confirmation of private visits. Participants will receive a final itinerary, together with their tour documents, prior to departure. The tour includes meals indicated in the detailed itinerary where: B=Breakfast and L=lunch.

### Sydney – 3 nights

Day 1: Wednesday 6 May, Sydney: Paddington, Redfern, Alexandria, Milsons Point

- Short Welcome Meeting at 9.00am
- [Glenmore Road Residence](#) by [Pohio Adams Architects](#), Paddington
- [Riley's Terrace](#) by [Adele McNab](#), Redfern
- [Smart Design Studio & Home](#), by William Smart, Alexandria
- [Seidler Penthouse](#), Milsons Point with architect, John Zhao
- Welcome Dinner at Café Sydney

Please meet in the foyer of the [Paramount House Hotel](#) at 9am.

Following a short welcome meeting, we transfer to Glenmore Road Residence which was designed for an artist. Conceived by the talented husband and wife duo Bianca Pohio and Christopher Adams, this Victorian terrace has been thoughtfully reworked into a light-filled contemporary abode – with glass and steel-framed windows allowing for continuous and fluid spaces.

Next, we visit Redfern to view Riley's Terrace by Adele McNab Architecture which was the recipient of the NSW AIA Award for Residential Architecture (Alterations & Additions) in 2021.

William Smart is the Founder and Creative Director of Smart Design Studio. His buildings have received critical acclaim, many prestigious awards and have been widely published in architectural and other publications. His approach to design is holistic, combining both architectural and interior design with a passionate attention to detail. Since 1997 William has been directly involved in each project and is continuously exploring ideas in his work relating to flexibility, contemporary living and the merging of art and architecture. In the late afternoon we tour his home and the Smart Design Studio.

We end the day with a visit to Milsons Point where we meet with architect, John Zhao from Seidler & Associates, for a private tour of the stunning penthouse apartment. A description of the penthouse is given by Sydney Living Museums: "Entry to the penthouse is into a space two storeys high, with a presentation theatre and facilities for entertaining. A half-elliptical Indian granite dining table allows guests to sit at the curved side of the table so that they can see the splendid water view; the hosts sit on the opposite side, facing their guests. A curved stair leads to the upper floor lounge, study and master bedroom suite. Within the straight outline plan, flowing curves enrich the open interior. Only the artworks (by Albers, Stella, Lichtenstein, Mais, Perry and Noland) are colourful in contrast to the neutral grey, white and black interior." Please note: Photography, both inside & outside, of the Seidler Penthouse is strictly prohibited!

This evening we enjoy a Welcome Dinner at a local restaurant. (Overnight Sydney) D

Day 2: Thursday 7 May, Sydney: Bellevue Hill, Elizabeth Bay, Birchgrove & Balmain

- Caerleon incl. [Stealth Pavilion](#) by [Plus Minus Design](#), Bellevue Hill (subject to reconfirmation 2026)
- [Amara](#) by [Smart Design Studio](#)
- [Birchgrove House](#), by Brian Zulaikha of [Tonkin Zulaikha Greer Architects](#), Birchgrove
- [Wurrungwuri](#) by [Carter Williamson Architects](#), hosted by Shaun Carter, Principal, Birchgrove
- [Zulaikha Laurence House](#), by [Tonkin Zulaikha Greer Architects](#), Balmain East

This morning we meet with Phillip Arnold, founding director of Plus Minus Design, for a tour of Caerleon, an early example of local domestic architecture in the Queen Anne Revival style. It was built between 1885-87 for the Sydney Morning Herald proprietor Charles Burton Fairfax, a grandson of the newspaper's founder John Fairfax. The original plans of the house were drawn up by Sydney architect Harry Kent, but were extensively reworked by Maurice Bingham Adams (1849-1933). Caerleon boasts red brick walls with stone dressing, terracotta shingles, balconies, bay windows, verandahs, lead light windows and elaborate chimneys. The interior includes elaborate chimney pieces, door cases, wainscots, friezes and ceilings, leaded lights and stained glass. Many of the fittings and materials were imported from England.

Within the heritage-listed gardens lies the well disguised Stealth Pavilion, designed by Plus Minus Design who were previously engaged for restoration works on the house proper and the relocation of the gates within the grounds. This private gym features external cladding of bronze mirrors which allow the structure to reflect the surrounding foliage, and cleverly sits within the existing grove of trees. A video of the pavilion may be viewed at [The Local Project](#).

Following some time at leisure for lunch in Balmain we transfer to Birchgrove to meet with a representative from Tonkin Zulaikha Greer Architects, for a visit to the Birchgrove House which received the AIA NSW Architecture award for Residential Architecture (Houses Alteration and Additions) in 2021. Drawn to the house's rich materiality and connection to the natural environment, the couple asked Brian if he would design their own home; a run-down, Victorian era, harbour front in neighbouring Birchgrove. Despite the house's dilapidated and slightly ramshackle appearance, its character shone through to the clients and a brief was developed to retain as much of the original fabric as possible. This respectful embrace of the existing building's quirks defined the project's conceptual framework and construction methodology. The

house itself is a rich, textural composition of charred timber, concrete, brick, copper and spotted gum timber panelling and cannot be understood without reference to its garden. Tiered landscaping on every level enables cascading Australian native vegetation to drape over intricately detailed balustrading; working with the vision of minimising “house” and maximising “landscape”.

Cater Williamson Architects is an award-winning practice that’s recognised for its bespoke homes, whether new houses or alterations and additions to period buildings. We shall visit a recently completed house designed by principal, Shaun Cater. Located in the coveted suburb of Birchgrove, this new house demonstrates the artistry and skills of this practice. Known as “Wurrungwurri”, this late Victorian sandstone house has been imaginatively extended by Carter Williamson Architects. In contrast to the home’s original ornate gabled facade and bay window, the home conceals a dramatic contemporary addition that beautifully responds to the fall of the site. A video of this project may be viewed at [The Local Project](#).

We end the day with a visit to the Zulaikha Laurence House by Tonkin Zulaikha Greer Architects (TZG). Completed in 2006, the house was a recipient of both the 2007 RAI National Award for Residential Architecture – Houses and 2007 RAI NSW Residential Alterations and Additions Award. Former home of award-winning architect, Brian Zulaikha and his partner, the eminent artist, Janet Laurence, this house overlooking Blackwattle Bay in East Balmain started its life as a gunpowder store (circa 1918). The bunker-like kitchen, which forms part of the gunpowder store, was extended by Zulaikha into an architectural gem that’s received numerous accolades. (Overnight Sydney) B

Day 3: Friday 8 May, Sydney: Castlecrag, Bellevue Hill, Darlinghurst, Paddington

- [Duncan House](#) by Walter Burley Griffin with addition by Weir Phillips Architects, Castlecrag
- [Bellevue Hill](#) by [Pohio Adams Architects](#)
- Light lunch at Two Good Co. Cafe
- [Horizon Apartment](#), by Stephen Collier, [Stephen Collier Architects](#), Darlinghurst
- [Little Napier House](#) by Simon Robert Hanson, [SRH Architecture](#), Paddington

We begin this morning with a visit to Duncan House in Castlecrag, a fine example of the work of Walter Burley Griffin. It is one of the original houses in the Castlecrag area, which were all built in the 1920s-1930s. The house is a diminutive yet perfectly proportioned example of Griffin’s work, using his patented knitlock concrete, ribbed and gracefully crenelated, yet grounded in the earth through the use of heavy rusticated protruding stone corner piers. The dwelling is listed on the NSW State Heritage Register. Weir Phillips Architects were commissioned to redesign a sensitive addition to the diminutive dwelling, replacing an earlier 1980s extension. This project was featured on Season 5 Episode 1 of *Restoration Australia*.

Next, we visit another home designed by Pohio Adams in Bellevue Hill. This is an early 20th century house that has been beautifully reimaged as a family home – retaining the past but creating a modernist aesthetic.

Following a light lunch at the Two Good Co. Cafe at Yirranma Place we view the Horizon Apartment by Stephen Collier. Harry Seidler’s Horizon is a landmark building, not just in Darlinghurst, but in the broader environs. Constructed in the late 1990s in the ‘round’, the apartments fan out to the views. Angular interior walls create unexpected spaces. Award-winning architect Stephen Collier has worked with the ‘spatial jigsaw’ of the 70-square-metre floor plan within this apartment to create flexible spaces.

Finally, we transfer to Paddington where we meet with Simon Robert Hanson, principal architect of SRH Architecture, to view his Little Napier House which received the RAI NSW Chapter Architecture Award for a Small Project in 2012. Here two heritage-listed terraces houses were combined to create a larger home

for a growing family, and the footprint of the two houses was reduced in order to include a pool in the backyard. (Overnight Sydney) BL

## Bundanon – 2 nights

Day 4: Saturday 9 May, Sydney – Gordons Bay – Thirroul – Kiama – Bundanon

- [GB House](#), with Renato D’Ettorre from [Renato D’Ettorre Architects](#), Gordons Bay
- [Trent Jansen Studio](#), Thirroul
- [K House](#), with Renato D’Ettorre from [Renato D’Ettorre Architects](#), Kiama
- Barbecue dinner at The Bridge, Bundanon

This morning we transfer to the coastal suburb of Coogee where there will be time at leisure to enjoy lunch at one of the alfresco cafes.

A short walk takes us around to Gordon’s Bay where we meet with Renato D’Ettorre, from Renato D’Ettorre Architects, for a tour of the ‘GB House’. In 2019 this project was the recipient of the coveted “Wilkinson Award”, the most significant residential architecture prize awarded in the state of NSW. “Above the clear blue sea, this house embodies the spirit of seaside living in response to a magical site – endless ocean, rocky headland and the ideal north-east aspect. The design is discreet in scale, has a quiet focus and layered materiality, and is sensitive to both site and neighbours providing mystery and privacy along one of Sydney’s busiest coastlines.” This spectacular house was featured on [Open Homes Australia](#).

After a short coffee break in Coogee we journey south to the seaside suburb of Thirroul to visit the private studio of Trent Jansen. Trent is a multi award-winning designer and Lecturer at the University of New South Wales Art & Design. In March 2023 he was featured in [habitusliving](#) after having been appointed to the 2022 Venice Design Biennale Residency. He designs limited edition one-off pieces for the Molonglo Group, and exhibits internationally with Gallery All and Galleria Rossana Orlandi. He also designs products and furniture for Moooi, DesignByThem and Tait. Trent has also exhibited at numerous national and international galleries and design events including the National Gallery of Victoria, London Design Museum, Design Miami, Art+Design in New York City, Art Gallery of South Australia, the Triennale Di Milano and The Ullens Centre for Contemporary Art in Beijing.

Following some time at leisure for lunch in Thirroul we continue south along the coast to Kiama. The K House in Kiama by Renato D’Ettorre Architects is as dramatic as the view over the Pacific Ocean that’s captured from the home’s large picture windows. Taking on a modern interpretation of the coastal aesthetic, the K house features a crisp white interior and an honest expression of materials – concrete and painted brick, powder-coated aluminium mesh and timber joinery. There’s a sense of lightness to this house. And while the interiors are pared back, the ‘devil is in the detail’ – with angular walls, deep crevices for sun protection and a fluid arrangement of spaces. The design beautifully captures the owners’ European heritage while create a fine contemporary home. The house is featured in the [Habitus House of the Year](#) series.

From Kiama we journey inland to Bundanon’s new accommodation complex, The Bridge, which offers simple, eco-friendly accommodation surrounded by stunning natural landscapes. (Overnight Bundanon) BD

Day 5: Sunday 10 May, Bundanon – Kangaroo Valley – Bundanon

- [Palmyra II](#), Kangaroo Valley, by [TURNER](#), Kangaroo Valley
- Bundanon: [Riversdale Art Museum](#) by [Kerstin Thompson Architects](#) (KTA): Architecture tour

- Farewell dinner at Bundanon

Following a leisurely breakfast we visit Palmyra II, the home of Nick Turner, Principal and Founder of Turner+Associates Architects. Originally designed over 15 years ago, Nick expanded the property by adding a stunning new 'wing' which ensures that the surrounding landscape is the undeniable star. During our visit we hear the incredible story of how in November 2020 when the area was engulfed by fire, the house was saved thanks to its carefully designed 'halo' watering system which covered the home with an umbrella of water, powered entirely by the robust off-grid power system.

We return to Bundanon for a light lunch and then take an architecture tour of the new arts complex which was the recipient of the Sulman Medal for public architecture in 2022. Designed by Kerstin Thompson Architects, the complex includes a light-filled contemporary art gallery – partially buried into the landscape. This new art museum was designed to house the Trust's Arthur Boyd art collection which includes an extensive collection of artworks by Arthur Boyd and his family, Sidney Nolan, Brett Whiteley, Joy Hester and Charles Blackman.

Following some time at leisure to enjoy the stunning natural landscapes that surround our accommodation we conclude the day with a farewell dinner at Bundanon. (Overnight Bundanon) BLD

Day 6: Monday 11 May, Bundanon – Bowral – Sydney Airport

- [Ngununggula Southern Highlands Regional Gallery](#): Tonkin Zulaikha Greer (TZG)
- Retford Park: private guided tour of the mansion, and renowned Pool Pavilion by Guilford Bell
- Light lunch at the Raw Wild Market & Café
- Time at leisure, optional visit to Dirty Janes Antique Market, Bowral
- Transfer to Sydney Airport

We begin this morning with an architectural tour of the Ngununggulla Southern Highlands Regional Gallery designed by TZG in 2021. Our tour will be led by Brian Zulaikha, former director of TZG, and Director in Charge of this multi award-winning project. Ngununggula, meaning "belonging" in the traditional language of the Gundungurra First Nations people, is the first regional art gallery in the Southern Highlands of New South Wales. "Making 'Ngununggula' a reality involved the adaptive reuse of two buildings within Retford Park, a grand Dairy Building and an associated 'Vet Clinic', both of which were under utilised and rapidly deteriorating. These buildings, as well as a third contemporary pavilion, were reimagined as a state-of-the-art Regional Gallery for the Southern Highlands." TZG

Next we enjoy a private guided tour of Retford Park, gifted to the National Trust by James Fairfax. We tour the Victorian-Italianate mansion and visit the interior of the renowned Fairfax Pool Pavilion designed by architect Guilford Bell in 1968.

Following a light lunch at the Raw Wild Market & Café there will be some time at leisure. You may wish to visit Dirty Janes, a permanent antique market in Bowral that offers the best in vintage.

Mid-afternoon we travel to the Sydney Airport where our tour will officially conclude at approximately 5.00pm. BL

## Fitness Criteria & Practical Information

Fitness Level 

### Level 1 - Active

For people with active lives and good mobility

The number of flags is a guide to the degree of difficulty of ASA tours relative to each other (not to those of other tour companies). It is neither absolute nor literal. One flag is given to the least taxing tours, seven to the most. All ASA tours are active programs. They are not suitable for people who lack stamina, have difficulty walking at the group's pace or who have mobility issues. An unavoidable aspect of every tour is the need to manage walking, stair-climbing and standing for long periods of time.

Fitness Level: Active

This tours is appropriate for people with a reasonable level of fitness and good mobility. You must be able to:

- manage at least four to five hours of physical activity per day with ease
- walk at an easy to moderate pace
- keep up with the group at all times
- climb a few flights of stairs without duress and walk up short steep hills
- get on and off a coach with steep steps unassisted
- stand for one to two hours during visits to architectural projects and museums without the need to sit
- handle a shower over a bath. Walk-in showers may not be available at all hotels.
- handle your own luggage at hotels
- manage a daily schedule which often involves an early-morning departure (between 8.00-8.30am), concluding in the late afternoon (between 5.30-6.00pm).

**Please note:** it is a condition of travel that all participants agree to accept ASA's directions in relation to their suitability to participate in activities undertaken on the tour, and that ASA retains the sole discretion to direct a tour participant to refrain from a particular activity on part of the tour. For further information please refer to the Terms and Conditions section given below.

## Existing Medical Conditions

You alone are responsible for managing any existing medical conditions, your medication and any medical equipment that you may need when on your tour. Please plan for contingencies and take extra medication, dietary supplements and/or fully charged batteries for medical equipment if your health and safety depends on these. You should take into consideration that power sources at some destinations may be unavailable, inadequate, inconvenient or unreliable.

1. Have you any significant medical conditions that may impact your capacity to complete this tour? YES NO
- If yes, please specify

\_\_\_\_\_

If yes, how will you manage this on tour?

\_\_\_\_\_

2. Do you require some form of powered medical aid, such as a CPAP machine?

These machines may not be operable on certain international flights, modes of transport, in remote or other areas with inadequate or unreliable power sources without a fully charged independent long life battery or batteries.

**Diabetics:** You may be travelling and sightseeing for many hours at a time. Insulin dependent diabetics must carry extra supplies of insulin (as this medication cannot be obtained in some destinations), regulators, applicators, storage and refrigeration equipment, as well as any necessary supplements. Accommodation may not provide refrigerators in rooms.

3. Are you diabetic?

Are you insulin dependent?

4. Do you suffer from travel sickness?
- Remember to use an appropriate medication while on tour.

## Declaration

I declare that: I have read and understood the ASA Tour Itinerary, Reservation Application and Booking Conditions. I am aware of ASA's terms as relating to refunds, cancellations, responsibility and liability. I understand that ASA relies upon this declaration when considering this Application. I accept the inherent dangers, risks and uncertainties in travel and those beyond ASA's control and understand they may occur before or during any tour. I have made full and complete disclosure and have not knowingly withheld any medical information about myself from ASA. I have completed this Reservation Application honestly and accurately. I warrant that I am able to participate independently in all activities described by ASA in the itinerary without assistance from any person.

I will advise ASA in writing if any aspect of my fitness and or health conditions change materially at any time before my departure date. I understand and accept that the itinerary, accommodation and lecturers scheduled for this tour may change.

I agree and consent that ASA may give my personal information in this Reservation Application to tour service providers and relevant authorities as required by law, but only for the purpose of making bookings with and engaging services associated with the tour. I understand that if I do not consent to the use of my personal information for this purpose, ASA will decline my Reservation Application.

In consideration of ASA's acceptance of my Reservation Application, I irrevocably release and indemnify ASA from all claims that I, or any other party, may have against ASA its employees, invitees, agents and contractors, however arising in respect of any loss, damage, injury, death or expense incurred in the course of booking, preparing for, travelling to, on and from or cancelling any tour.

I release and indemnify ASA with respect to:

1. Every general risk to which I or my personal belongings may be exposed in the course of preparing for, travelling to, on or from any ASA tour;
2. Every special risk, in particular medical risks, to which I may be exposed in the course of preparing for, travelling to, on or from any ASA tour arising from, including, but not limited to:
  - a. intermittent power cycles and/or the temporary or permanent loss of power (beware CPAP or any other medical machine users);
  - b. dietary, food or other allergies (ASA cannot guarantee that traces of items to which you are allergic are not present in food or drink you are served, medication you are administered or other substances with which you may come into contact);
  - c. any event or situation that may compromise the administration of necessary medication or my health, safety and wellbeing generally; and
  - d. any event or happening beyond ASA's control
3. All claims arising as a result of my or ASA's cancellation or termination of any tour, part of a tour or of my continued participation on a tour for any reason (subject to ASA's refund conditions below).

## Limitation of Liability

ASA is not a carrier, event or tourist attraction host, accommodation or dining service provider. All bookings made and tickets or coupons issued by ASA for transport, event, accommodation, dining and the like are issued as an agent for various service providers and are subject to the terms and conditions and limitations of liability imposed by each service provider. ASA is not responsible for their products, services, terms and conditions. If a service provider cancels or does not deliver the product or service for which you have contracted, and does not give a refund, your remedy lies with the service provider, not ASA.

ASA will not be liable for any claim (e.g. sickness, injury, death, damage or loss) arising from any change, delay, detention, breakdown, border closures, cancellation, failure, accident, act, omission or negligence of any tour service provider or authority however caused (contingencies). You must take out such travel insurance as is available against such contingencies.

ASA's liability in respect of any tour cancelled or changed will be limited to the partial refund of amounts you have paid, less an administration fee of \$500 and other costs and charges of third party service providers. No compensation will be payable to you by ASA where ASA cancels or changes a tour, or any part of a tour.

ASA reserves the sole discretion to cancel any tour or to modify itineraries in any way it considers appropriate and in the best interests of health, safety and wellbeing of tour participants. Tour costs may be revised, subject to unexpected price increases or exchange rate fluctuations.

## Booking Conditions

### DEPOSITS

A non-refundable deposit of \$500.00 AUD per person is required to reserve a place on an ASA tour.

### CANCELLATION FEES

If you cancel your booking the following charges apply:

More than 75 days before departure: your initial deposit of \$500.00 is non-refundable.\*\*

75-31 days prior 50% of total amount due

30-0 days prior 100% of total amount due

\*\*\$250.00 of this amount (ie 50% of your deposit) may be credited to another ASA tour departing within 12 months of the original tour you booked. We regret, in this case early-bird discounts will not apply.

***We take the day on which you cancel as being that on which we receive written confirmation of cancellation.***

### UNUSED PORTIONS OF THE TOUR

We regret that refunds will not be given for any unused portions or services of the tour, such as meals, entry fees, accommodation, flights or transfers.

### WILL THE TOUR PRICE OR ITINERARY CHANGE?

If the number of participants on a tour is significantly less than budgeted, or if there is a significant change in exchange rates ASA reserves the right to amend the advertised price. We shall, however, do all in our power to maintain the published price. Occasionally circumstances beyond the control of ASA make it necessary to change airline, hotel or to make amendments to itineraries. We will inform you of any changes in due course.

### TRAVEL INSURANCE

ASA requires all participants to obtain comprehensive travel insurance. A copy of your travel insurance certificate and the **reverse charge** emergency contact phone number must be received by ASA no later than 75 days prior to the commencement of the tour.

### FINAL PAYMENT

The balance of the tour price will be due 75 days prior to the tour commencement date.
