

# Western Australia: Wildflowers, Wineries and Private Gardens of the South West – Sep/Oct 2022

23 SEP – 5 OCT 2022

Code: 22259AU

Tour Leaders **Stephen Ryan, Sabrina Hahn, Craig Lidgerwood**

Physical Ratings 

Join Stephen Ryan and Sabrina Hahn visiting some of Western Australia's best wineries, gardens and natural landscapes during the wildflower season.

## Overview

[Stephen Ryan](#) leads this exciting tour of some of WA's best wineries, gardens and natural landscapes during the state's famed wildflower season. Stephen will be assisted by [Craig Lidgerwood](#). [Sabrina Hahn](#) joins the tour for six days with visits to Albany, the Porongurup National Park and Fitzgerald River National Park. Around 11,000 flora species are found in WA and over 75% are found in the south-west, one of the world's top 10 biodiversity hotspots.

- Spend time in the Ravensthorpe wildflower region and view the herbarium which holds over 3000 botanical specimens.
- In the Margaret River region visit Pat Poynton's Secret Garden designed by Melbourne master [Paul Bangay](#), and also [Bill Mitchell](#)'s award-winning garden.
- Delight in a 3-Course wine paired lunch at Voyager Estate's award-winning restaurant with its stunning Cape Dutch architecture and gardens inspired by the Cape Dutch farmsteads of South-Africa, located within James Halliday's 'golden triangle' of Margaret River's wine region.
- Journey by 4WD to view the giant karri forests in Warren National Park and the Yeagarup Dunes, the largest land-locked mobile dune system in the southern hemisphere. Here, witness coastal heath resembling ancient flora and many beautiful wildflowers in season.
- Take the Tree Top Walk in the Valley of the Giants and enjoy a cruise with a local expert to explore the biodiversity of the Walpole Wilderness.
- Enjoy a riverboat cruise of Oyster Harbour and the Kalgan River: learn about Aboriginal history, the exploration by early seafarers and settlers, and the diversity of flora and fauna.
- View the natural geological features of Torndirrup National Park; we walk to the lookouts at both The Gap and Natural Bridge.
- Explore Cypress Farm, the home of Professor Kingsley Dixon – Foundation Director of Science at Kings Park and Botanic Garden.
- Enjoy a behind-the-scenes tour of Kings Park International Park Breeding Program hosted by Senior Plant Breeder, Digby Growns.
- Visit the private garden of John Banasiewicz, president of the Western Australian Fern Society, which is a magnificent demonstration of his passions for plant collection.

Overnight Perth (1 night) • Bunbury (2 nights) • Walpole (1 night) • Albany (3 nights) • Hopetoun (2 nights) • Katanning (1 night) • Fremantle (2 nights)

### Introduction

*Kwongkan* is the Noongar Aboriginal word for the geographical floristic region of the south-west of Western Australia. It covers the coastal and inland sand plains from Esperance to Albany and old growth Jarrah and Karri forests inland. This region contains 70% of the 8000 native plant species found nowhere else in the world. It has been decreed a global biodiversity hotspot and has rare endangered fauna that has evolved alongside plant life in spite of some of the most impoverished soils on the planet.

The abundance and diversity of flora and fauna in the south-west evolved because it became a 'biological island' cut off from other flora; oceans surrounded the west and southern sides, and deserts hugged the eastern side. Most of the area we explore has remained above sea level for over 200 million years and with plant species adopting strategies to extract the very few nutrients available on these weathered, impoverished soils.

This tour will take you to remote and spectacular areas unlike anywhere else in Australia, from tall karri forests to vast coastal sand plains rich in diversity and the ancient granite domes of the Porongurup Range

to some of the most prestigious wine areas of Margaret River.

## Leaders

### Stephen Ryan

Horticulturalist, nurseryman, collector, prolific writer and award-winning broadcaster. Stephen brings his profound knowledge to ASA garden tours in France, Morocco, Madagascar, Spain, Chile, New Zealand and Western Australia.

Stephen Ryan runs his own nationally recognised nursery Dicksonia Rare Plants. He has a regular radio slot with Melbourne's 3CR station. In 2002 he was awarded a Radio Laurel by the Horticultural Media Association for his segments on ABC Radio 774 3LO. Stephen is well known for his role for three years as host on ABC Television's *Gardening Australia*. As a plant hunter and traveller he has travelled to many places in the world such as Namibia, India, Oregon, England, Ireland, South Africa, Peru, New Guinea, France and Argentina. He has also led tours to Madagascar, Morocco and France. He has published three books on rare plants that have received rave reviews and his manual contains over 2000 plant entries of rare plants available in temperate Australia. He also contributed to the two large tomes produced in Australia *Botanica* and more recently *Flora*. In 2001 the Royal Horticultural Society of Victoria recognised Stephen with a John Pascoe Fawcett Gold Medal for "Distinguished Service to Horticulture". Stephen is now writing for a New Zealand magazine *Weekend Gardener*, and has started writing another book, which will be on the development of his own garden, 'Tugurium'. Stephen first joined ASA as a lecturer in 2009.

### Sabrina Hahn

ABC radio presenter, garden writer & horticultural consultant specialising in Australian & Mediterranean garden design. Sabrina also works on planting programs in remote Aboriginal communities. She has led ASA garden tours to France, Italy, Spain, Morocco, the UK and Western Australia since 2008.

Sabrina first joined ASA in 2008 and leads garden tours to Italy, France, Spain, Morocco, the UK, Japan and Western Australia. She first studied Horticulture at TAFE, and then went on to graduate with degrees in Applied Science and Social Science. She has been the ABC gardening talkback expert in Western Australia since 1985 and can be heard on ABC Radio on Saturday mornings on her show 'Roots and Shoots' with copresenter Christine Layton (9.00AM Australia Western Standard Time).

Sabrina also writes a weekly column in the *West Australian* newspaper on all things green, manages a

landscaping business, and gives public lectures to a number of universities, government and private organisations. One of her great passions is her work with the philanthropic organisation, EON, in remote Aboriginal communities in the Kimberley, setting up edible gardens to ensure children have access to fresh fruit and vegetables. Her latest venture is 'Sabrina's Dirty Deeds Podcast' which includes practical advice and interviews with Australian and International horticulturalists, ecologists and innovative gardeners.

---

### Craig Lidgerwood

Accomplished Botanical artist who exhibits widely, Craig leads garden tours with Stephen Ryan, whose 'Dicksonia Rare Plants Manual' he illustrated. Together they lead garden tours to France, Spain, Morocco and Madagascar.

Craig's working life began in the arts but moved to the travel industry 24 years ago. He has since travelled extensively recording, photographing and drawing plants in their natural habitat.

In the late 1980s Craig studied drawing and watercolour at the Council of Adult Education, Melbourne, and art classes in the Macedon Ranges. From 2006 to 2011 Craig attended botanic art classes with renowned artist Anita Barley and attended various botanic art workshops through the Mt Macedon Horticultural Society with established botanic artists.

In 2008 he illustrated Stephen Ryan's book, the *Dicksonia Rare Plants Manual* and in 2010 Craig and his artwork were featured on ABC television's Sunday arts program, *Art Nation*.

Exhibitions include *The Art of Botanical Illustration 2010 & 2012*, Melbourne Botanic Gardens, *Botanica 2012 & 2013*, Sydney Botanic Gardens, *Capturing Flora: 300 years of Australian botanical art*, a major retrospective at the Ballarat Art Gallery (2012), and also in 2012 Craig's first solo exhibition, *An Inquisitive Eye: the Botanical Art of Craig Lidgerwood* was held at the Sofitel Hotel, Collins Street, Melbourne.

Craig's passion for travel has seen him visit parts of Eastern Europe, South America, South and Eastern Africa, Madagascar, India, North Western USA, Ireland and the United Kingdom. Craig is an adventurous traveller, trekking in Eastern Nepal, Kilimanjaro, the Andes and the Inca Trail, Darjeeling and Sikkim. Craig has also spent three months walking in southwest France, the French Pyrénées and Corsica.

---

## Itinerary

The daily activities described in this itinerary may change or be rotated and/or modified in order to accommodate alterations in opening hours, flight schedules and confirmation of private visits. Participants will receive a final itinerary together with their tour documents prior to departure. The tour includes breakfast daily, lunches & dinners indicated in the detailed itinerary: B=breakfast, L=lunch and D=dinner.

### Perth - 1 night

Day 1: Friday 23 September, Arrive Perth

- Welcome Meeting and Drinks at the Ingot Hotel, Perth

**Meeting Point:** Please meet in the foyer of the hotel at 6pm. Our tour begins at the Ingot Hotel Perth, which is conveniently located just minutes from Perth Airport and the CBD. For participants arriving at Perth Airport, complimentary airport transfers can be arranged through the hotel. The official check-in time for the [Ingot Hotel](#) is 2 pm. Tonight we meet at 6pm for welcome drinks at the hotel. (Overnight Perth)

### Bunbury - 2 nights

Day 2: Saturday 24 September, Perth – Dwellingup – Bunbury

- Orondo Farm, Dwellingup: Guided tour of the private gardens, morning tea and light lunch

This morning we transfer by coach to Dwellingup to visit Orondo Farm with its 25-plus acre private garden surrounded by woodlands and traversed with meandering watercourses. The fertile river valley, within which the garden sits, creates a perfect microclimate and provides the rich loam soils for growing rare deciduous and evergreen trees, flowering shrubs, such as rhododendrons, camellias and azaleas, and colourful perennials that have been planted over the years. The owners and creators of Orondo Farm, Bette and Bill Healy, will treat us to guided tour and a morning tea.

We drive to the Bunbury Hotel Koombana Bay located on the historic waterfront, which will be our home for the next two nights. (Overnight Bunbury) BL

Day 3: Sunday 25 September, Bunbury – Yallingup – Wilyabrup – Margaret River – Bunbury

- Bill Mitchell's award-winning garden, Yallingup
- The Secret Garden by Paul Bangay
- Voyager Estate, Margaret River: 3-Course Menu with matching wine-flight

We journey to Yallingup to visit the award-winning garden of Bill Mitchell, *Gardening Australia* Magazine's 2016 'Gardener of the Year'. Situated on the clifftop of Smiths Beach and surrounded by the Leeuwin-Naturaliste National Park, Bill was driven by the need of a fire-management plan due to being in an extreme bushfire risk area because of the surrounding heathland flora to create a fire-resistant garden. The result was 'Fire and Beauty', a five-year-old garden mass-planted with fire-retardant plants, such as succulents and cacti. Drifts of bird attracting aloes, huge dragon trees, rare and unusual succulent varieties have been combined with local stone mastering the art of a lower maintenance garden without sacrificing colour and beauty. The achievement of this non-gardener's concept and design is inspiring.

The Secret Garden was designed in 1997 by Paul Bangay early in his career for Pat Poynton, who, as a skilled gardener in her own right, has continued developing the garden to reflect her passions. The garden is situated in a valley beside the Wilyabrup Brook and covers 1.2ha of formal, semi-formal and natural landscapes set within a native West Australian peppermint forest producing a wonderful microclimate. The head gardener will take us on a romantic journey through the Spring displays of iris, clematis and crab apples that complement the formal plantings and defined structure for which Paul Bangay is renowned.

The rest of the day will be spent enjoying a gourmet experience for which Margaret River is internationally renowned. Voyager Estate is a family-owned estate in the Stevens Valley, the locale chosen because of its ideal characteristics to provide spectacular wines and its uniqueness of being surrounded on three sides by the Indian Ocean creating a cool meso-climate. The oldest vines on the estate date back to 1978 and it has been undergoing a full organic conversion. Along with its wines and food, Voyager Estate is famous for its Cape Dutch-style architecture and stunning manicured gardens as well as its roses. The restaurant was named the best Regional Restaurant of the Year for 2018 by the WA Good Food Guide Awards and Head Chef Santiago Fernandez as Best Regional Chef. This is where we will experience a 3-course lunch showcasing the best local and South West produce complemented with matching wines. (Overnight Bunbury) BL

### Walpole - 1 night

Day 4: Monday 26 September, Bunbury – Pemberton – Walpole

- BBQ lunch
- 4WD Ecotour visiting Beedelup National Park, Yeagarup Dunes & coastal heath at Warren River

This morning we journey south to the tingle forests of Greater Beedelup National Park, near Pemberton, where we will have a BBQ lunch surrounded by karri trees, of which some specimens are believed to be in excess of 400 years old. The park takes its name from the Beedelup Brook running through it, possibly deriving from the Nyoongar word *Beedja*, which means 'place of rest' or 'place of sleep'. After a short walk to the rocky granite cascades of Beedelup Falls, our 4WD Ecotour begins by driving to Lake Yeagarup and over the Yeagarup Dunes, the largest land-locked mobile dune system in the southern hemisphere. From the dunes we will continue by 4WD to the beach at the mouth of the Warren River. Along the way karri

forests and coastal heath will be admired. We reconvene with the bus at the Dave Evans Bicentennial Tree, so named after being pegged in 1988 as part of Australia's bicentennial celebrations. The pegging enables it to be one of three fire lookout trees open to the public in this area.

We continue south to the Tree Top Walk Motel in Walpole. Dinner will be served at the hotel. (Overnight Walpole) BLD

### Albany - 3 nights

Day 5: Tuesday 27 September, Walpole – Valley of Giants – Albany

- The Horsetail Walk, Visitors Centre Walpole-Nornalup
- Cruise with a local expert to explore the biodiversity of the Walpole Wilderness
- Valley of the Giants: Tree Top Walk & the Ancient Empire Walk

Following a short flora walk in the vicinity of the Walpole-Nornalup Visitors Centre, we embark on a wilderness ecotour to explore the Walpole Nornalup National Park, home to tingle forests that occur nowhere else in the world. We will be travelling by boat along the waterways of the Walpole and Nornalup Inlets Marine Park, which is one of the most diverse ecosystems on earth and fed by the Franklin and Deep rivers. Its remote wilderness feel is due to the untouched nature of the park, its wildlife and scenic quality.

There will be time at leisure for lunch in Walpole before travelling to the Valley of the Giants. These 'giants' refer to the tingle trees that make up this spectacular forest, which only occur in this area and can grow to a height of 75m and have a circumference of up to 25m. To achieve the full experience of their majestic grandeur, we will walk amidst the canopy on a walkway positioned 40m above the ground. The Ancient Empire Walk allows us to see the red tingle trees (*Eucalyptus jacksonii*) from a boardwalk along the forest floor and is based on the theme of the lost era of Gondwana. The origins of some of these plants date back to this period in time, that is 65 million years ago.

We drive to the Albany Motel and Apartments, our home for three nights. (Overnight Albany) B

Day 6: Wednesday 28 September, Albany – Porongurup National Park – Albany

- Porongurup National Park
- Desert Mounted Corps Memorial: Albany Heritage Park & Apex Lookout
- Torndirrup National Park: The Gap & Natural Bridge Lookouts

This morning we explore the wildflowers and natural landscape of Porongurup Range and National Park, known for its massive granite domes that rise 670 metres up from the plains. One of the world's oldest mountain ranges, it was formed in the Precambrian about 1,184 million years ago likely due to a collision between the Australian and Antarctic landmasses. Around 55 million years ago during the Eocene period when the sea levels were higher, the Porongurup Range became an island. It lies within the traditional lands of the Minang group of the Nyungar people.

The National Park is characterised by its diverse and endemic plant species, including more than 700 native plant species, as well as its rich array of wildlife. There have been 80 species of birds identified since becoming a national park. The karri forests of the Porongurup Range are found on the upper slopes on the deep red loamy soils. As a result of being separated from the rest of WA's karri forests about 5000 years ago, these karri trees have evolved to become slightly different genetically. If it is a clear day, we may have spectacular views of the Stirling Range and the Southern Ocean.

In the afternoon we return to Albany where we visit the ANZAC Desert Mounted Corps Memorial located near the top of Mount Clarence. A walkway takes us through the Albany Heritage Park to the Apex Lookout from where we may enjoy spectacular panoramic views across Princess Royal Harbour, King George Sound and Middleton Bay.

We end the day with a visit to Torndirrup National Park, known for its rugged coastlines which feature coastal heaths, granite outcrops, sheer cliffs and steep sandy slopes and dunes. Here we follow a raised pathway across the top of the exposed granite ramparts to the lookouts at The Gap and Natural Bridge, both providing outstanding views of the Southern Ocean and the coast from Bald Head to West Cape Howe. (Overnight Albany) BL

#### Day 7: Thursday 29 September, Albany Area

- Kalgan Riverboat Cruise
- Two Peoples Bay Nature Reserve

This morning we enjoy a four-hour riverboat cruise of Oyster Harbour and the Kalgan River. During our cruise we learn about Aboriginal history and Dreamtime stories, exploration by early seafarers and settlers, and the diversity of local flora and fauna which includes pelicans, dolphins, sea eagles and fur seals. Around 7km up the Kalgan River we may disembark for a pleasant walk along the short riverside trail to view wildflowers and old Aboriginal fish traps. Morning refreshments including homemade damper will be provided.

This afternoon we walk through the Two Peoples Bay Nature Reserve heritage trail which tracks through peppermint woodlands and the remote and untouched beach. This is home to the critically endangered Gilberts potoroo and the noisy scrub bird and we may be lucky enough to hear them. It is a mecca for bird lovers and fishermen. This has been listed as one of the most beautiful beaches in the world with azure blue water, massive granite boulders and pure white sand. The coastal heathland plants have been carved by the wind and many species have adapted in unusual ways to compensate for salt laden winds and sandy soil. (Overnight Albany) BL

#### Hopetoun - 2 nights

#### Day 8: Friday 30 September, Albany – Fitzgerald River National Park – Hopetoun

- Fitzgerald River National Park: a Biodiversity Hotspot- visit with Park Ranger

The Fitzgerald River National Park is the largest and most botanically significant national park in Australia, featuring more than 1,800 species of plants, 75 of which are found nowhere else in the world. There are 184 bird species, 22 mammal species, 41 reptile species and 12 frog species living in the park. A number of species have only recently been rediscovered here, including the Dibbler and Heath rat.

During the winter months southern right whales shelter close to shore with their newborn calves. We will divide the trip into two main areas and walk from the car park at Mount Barren to Sepulchral Hill, and then separately to No Tree Hill.

In the afternoon, we drive to the Hopetoun Motel and Chalet Village, our home for the next two nights. (Overnight Hopetoun) BLD

#### Day 9: Saturday 1 October, Hopetoun – Fitzgerald River National Park – Ravensthorpe – Hopetoun

- East Mount Barren, Fitzgerald River National Park: Guided walk with a specialised ecologist, Nathan McQuoid
- Ravensthorpe: Herbarium
- Dunns Swamp Road, Hopetoun, Guided walk

This morning we drive through the stunning coastline to East Mount Barren to see the endemic and often spectacular wildflower species. We will have a guided walk with ecologist Nathan McQuoid through eucalyptus woodlands and wildflower country. Sabrina will have a list of plants people will see and bring reference books.

Sabrina will take us around Ravensthorpe wildflower region and explain different plant groups and how they evolved. In Ravensthorpe, we enjoy a private viewing of its world class herbarium. There is over 1000 different species of plants collected from two national parks and over 3000 species in the herbarium.

As we travel south back to Hopetoun, we stop along Dunns Swamp Road that has a collection of unusual and endangered eucalypts that should be in flower. (Overnight Hopetoun) BLD

### Katanning - 1 night

Day 10: Sunday 2 October, Hopetoun – Jerramungup – Badgebup – Katanning

- Orchids of Jerramungup Sports Ground
- Long Table Lunch at Badgebup
- David & Sue Thompson's Moojepin Farm, Katanning

This morning we travel to the town of Jerramungup, located in the Great Southern agricultural region, 454km southeast of Perth. Here we hope to view several species of orchids including *Caladenia pulchra* (Slender spider orchid) and *Caladenia radialis* (Drooping spider orchid) which are endemic to the south-west region of Western Australia.

From Jerramungup we continue 134km west to Badgebup, a small wheat-farming town located between the towns of Katanning and Nyabing in wildflower country. Our hosts will provide us with a long table lunch in the Budgebup Hall where we will taste the local produce.

This afternoon we meet with David and Sue Thompson at their mixed cropping and sheep farm near Katanning. In addition to selling mutton, they have established 'Moojepin Bushfoods', selling saltbush, samphire, ice plant, pig face and beach banana. We tour the farm's plantations and greenhouses before continuing to Katanning for the night. (Overnight Katanning) BL

### Fremantle - 2 nights

Day 11: Monday 3 October, Katanning – Waroona – Fremantle

- Cypress Farm, Waroona incl. buffet lunch
- Drakesbrook Wines: wine tasting
- Short orientation walk of Fremantle

This morning we visit Cypress Farm, the property of Professor Kingsley Dixon and Lionel Johnston. This garden is a 'work in progress' at the early stage of its redevelopment, and comprises largely uncleared Jarrah/Marri forest and Swan River Blackbutt. However, being one of the wettest places in the south-west, Cypress Farm takes advantage of the abundant water supply, the area's clay-based soils, and cooler climate

in order for the most diverse range of European and Australian plant species to be grown and displayed at their very best.

The Peel region with its close proximity to the Indian Ocean is the ideal location to grow wine grapes as it combines unique coastal limestone soils and a Mediterranean climate, ensuring wines with fruit intensity along with specific regional characteristics. We shall stop at Drakesbrook Wines for wine tasting before continuing our journey to Fremantle.

In the late afternoon we arrive at the Esplanade Hotel Fremantle by Rydges, our home for two nights. Our orientation walk takes us past the Fremantle Prison, built as a convict barracks in the 19th century and the Roundhouse which is the oldest public building in the State of Western Australia. Opened in January 1831, just 18 months after settlement, the Roundhouse was built to hold any person convicted of a crime in the settlement and was used until 1886. We also visit the Fremantle Art Centre. Built by convicts on a grant of six acres, this splendid example of Australian Gothic architecture first opened its doors in 1864, as the Convict Establishment Fremantle Lunatic Asylum and Invalid Depot. We end our walk on the 'Cappuccino Strip' with its mix of cafes, restaurants and pubs for which Fremantle is now famous. (Overnight Fremantle) BL

#### Day 12: Tuesday 4 October, Fremantle – Perth – Fremantle

- Exclusive tour of Kings Park breeding program of Australian native plants hosted by Digby Grownns
- Kings Park Botanical Garden tour showcasing native Spring wildflowers
- Farewell Dinner: Bathers Beach House, Fremantle

Kings Park covers an area of 400 hectares and is situated only minutes from the centre of Perth. The Botanic Garden consists of 17 hectares of outstanding display gardens featuring over 3000 varieties of West Australian native flora. Our tour starts with Digby Grownns, Senior Plant Breeder at Kings Park International Park Breeding Program, giving us a rare behind-the-scenes opportunity by guiding us through the science and ingenuity of one of the world's most exclusive and diverse plant breeding programs. This will be followed by a visit to Kings Park Nursery, where we will be shown some of the rare grafting techniques used to reproduce the most difficult to grow native species and explore the secrets of making and using smoke water as discovered by Professor Kingsley Dixon that is vital in germinating seed of many Australian bushland plants. Kings Park is also known for its wildflower plantings showcasing up to 40 species.

Tonight we enjoy our farewell dinner at Bathers Beach House, a seafood restaurant located on the beachfront. (Overnight Fremantle) BD

#### Day 13: Wednesday 5 October, Fremantle – Jandakot – Perth Airport

- Private garden of John Banasiewicz, Jandakot incl. morning tea
- Transfer to Perth Airport arriving at 12.30pm

This morning we travel to Jandakot to visit the private garden of John Banasiewicz. John is the president of the Western Australian Fern Society and his garden is a magnificent demonstration of his passions for plant collecting. Paths weave around the garden, densely planted with the understory filled with a wide collection of ferns, palms, thousands of bromeliads, cycads, cordylines and heliconias, creating the effect of a tropical and lush haven. Pockets of bamboo, ponds containing water lilies, many cactus plants and a fascinating display of Bonsai trees add to the many facets of this beautiful garden. Overall the garden is designed in shades of green with splashes of colour from bromeliads and some unusual anthuriums. There are several shade houses containing his collection of tassel ferns and elkhorns. There is also a productive vegetable

patch, and fruit and nut trees, all contained in acres of natural bush, with the drive way showing off many cultivated and tended native plants.

From Jandakot we transfer to the Perth Airport where our tour officially ends at approximately 12.30pm. B

## Accommodation

All hotels/motels provide rooms with private facilities, except in Hopetoun where some of the rooms include a shared bathroom. A hotel list will be given to all participants prior to departure, in the meantime a summary is given below:

- Perth (1 night): Ingot Hotel – located close to Perth Airport, provides a complimentary airport shuttle service, and within walking distance to the Grove Farm Reserve and the Swan River. [www.ingothotel.com.au](http://www.ingothotel.com.au)
- Bunbury (2 nights): 4-star Bunbury Hotel Koombana Bay – located in The Silos, a heritage-listed precinct on the historic Bunbury waterfront. [www.bunburyhotelkoombanabay.com.au](http://www.bunburyhotelkoombanabay.com.au)
- Walpole (1 night): Tree Top Walk Motel – located in the centre of Walpole, 17kms from the famous Valley of the Giants. [treetopwalkmotel.com.au](http://treetopwalkmotel.com.au)
- Albany (3 nights): Albany Motel & Apartments – centrally located in the harbour town of Albany, close to cafés, restaurants, shops and foreshore. [albanymotel.com.au](http://albanymotel.com.au)
- Hopetoun (2 nights): Hopetoun Motel & Chalet Village – located in the heart of town, a short walking distance from shops, restaurants and cafés. Accommodation is provided in a mixture of motel rooms, chalets and townhouses. [www.hopetounmotel.com.au](http://www.hopetounmotel.com.au)
- Katanning (1 night): Premier Mill Hotel – housed in a beautifully restored, iconic former flour mill. [premiermillhotel.com](http://premiermillhotel.com)
- Fremantle (2 nights): 4-star Esplanade Hotel Fremantle by Rydges – located in the heart of Fremantle overlooking the parklands and harbour. [www.rydges.com](http://www.rydges.com)

*Note: Hotels are subject to change, in which case a hotel of similar standard will be provided.*

### Single Supplement

Payment of this supplement will ensure accommodation in a double/twin room for single occupancy throughout the tour. In Hopetoun, where accommodation is extremely limited, some of the rooms share a bathroom. The number of rooms available for single occupancy is extremely limited. People wishing to take this supplement are therefore advised to book well in advance.

## Tour Map

## Tour Price & Inclusions

AUD \$7650.00 Land Content Only – Early-Bird Special: Book before 31 March 2022

AUD \$7850.00 Land Content Only

AUD \$970.00 Single Supplement

Tour Price (Land Content Only) includes:

- Accommodation in twin-share rooms with private facilities in a combination of hotels and basic motels. Note: in Hopetoun where accommodation is extremely limited, some rooms include shared bathroom facilities.
- Meals as indicated in the tour itinerary where: B=breakfast, L=lunch & D=dinner
- Wine at welcome and farewell meals. Other meals do not include alcoholic beverages
- Bottled water for all daily excursions
- Transportation by air-conditioned coach; 4WD to the Yeagarup Dunes
- Boat tour of the Walpole Wilderness Day 5, and Kalgan Riverboat Cruise Day 7
- Porterage of one piece of luggage per person where available (not all hotels and motels offer this service)
- Lecture and site visit program
- Entrance fees as per itinerary
- Use of audio headsets during the site visits
- Tips for the coach driver, local guides and restaurants for included meals

Tour Price (Land Content Only) does not include:

- Airfare to Perth
- Porterage at some of the motels
- Personal spending money
- Arrival airport transfer (note: a complimentary transfer may be arranged through the Ingot Hotel on arrival)
- Luggage in excess of 20 kg (44 lbs)
- Travel insurance

## Physical Endurance & Practical Information

Physical Ratings 

The number of flags is a guide to the degree of difficulty of ASA tours relative to each other (not to those of other tour companies). It is neither absolute nor literal. One flag is given to the least taxing tours, seven to the most. Flags are allocated, above all, according to the amount of walking and standing each tour involves. Nevertheless all ASA tours require that participants have a good degree of fitness enabling 2-3 hours walking or 1-1.5 hours standing still on any given site visit or excursion. Many sites are accessed by climbing slopes or steps and have uneven terrain.

This 13-day Natural Landscapes & Garden Tour of Western Australia involves:

- Most days involve walking on uneven terrain, and includes guided walks through the Porongurup National Park, Fitzgerald River National Park, Two Peoples Bay Nature Reserve and the wildflower Railway Heritage Trail at Ravensthorpe.
- Transportation includes daily excursions by air-conditioned coach; 4WD to the Yeagarup Dunes; boat tour of the Walpole Wilderness, and Kalgan Riverboat Cruise.
- The daily schedule generally involves an early-morning departure (between 8.00-8.30am), concluding in the late afternoon (between 5.00-5.30pm)
- A mixture of hotel and basic motel accommodation; in Hopetoun some rooms include shared bathrooms.
- In Albany and Hopetoun, breakfast will be arranged via a local bakery and pub as the motels do not offer this service.
- You must be able to carry your own hand-luggage. Porterage is NOT available at some of the motels.

It is important to remember that ASA programs are group tours, and slow walkers affect everyone in the group. As the group must move at the speed of the slowest member, the amount of time spent at a site may be reduced if group members cannot maintain a moderate walking pace. ASA tours should not present

any problem for active people who can manage day-to-day walking and stair-climbing. However, if you have any doubts about your ability to manage on a program, please ask your ASA travel consultant whether this is a suitable tour for you.

**Please note:** it is a condition of travel that all participants agree to accept ASA's directions in relation to their suitability to participate in activities undertaken on the tour, and that ASA retains the sole discretion to direct a tour participant to refrain from a particular activity on part of the tour. For further information please refer to the ASA Reservation Application Form.

## Booking Conditions

### ASA RESERVATION APPLICATION FORM

Please complete the ASA RESERVATION APPLICATION and send it to Australians Studying Abroad together with your non-refundable deposit of AUD \$500.00 per person payable to Australians Studying Abroad.

### Covid-19 Vaccination Certificate

Commencing from November 2021 it will be a condition of travel that all group leaders and ASA travellers are fully vaccinated against Covid-19. All participants must send ASA a copy of their vaccination certificate at the time of submitting their Reservation Application Form. For information on how to obtain either a Covid-19 digital certificate or a certificate in PDF format please view the [Australian Government Services Australia "What types of proof there are"](#) web page.

# Reservation Application

TOUR NAME \_\_\_\_\_

TOUR DATES \_\_\_\_\_

Please complete **one application, per person in block letters and sign**. Parental signature is required for participants under 18 years of age. Please mail this form with the appropriate deposit to: **P.O. Box 8285, ARMADALE, VICTORIA, 3143**. On receipt of this Reservation Application and deposit, ASA will process your booking and if approved, send you a tour confirmation.

The purpose of seeking this information is to assist ASA to determine, where necessary, whether ASA is able to make reasonable adjustments to accommodate your specific needs and whether your health and safety (or that of your fellow travellers) is likely to be compromised given your choice of tour. It will also assist you and ASA if you fall ill or have an accident whilst travelling.

- ASA reserves the right to decline your Reservation Application if this Medical Information section is not completed properly and may reject or cancel your reservation, or terminate your participation on any tour, if ASA subsequently learns that you have failed to make full and proper disclosure.
- ASA is committed to protecting the privacy of your personal information. ASA's privacy policy is available for viewing at [www.asatours.com.au](http://www.asatours.com.au)
- If ASA has any concerns about the information you have provided, it will contact you to request clarification before considering your Application.
- ASA requires you to consider carefully your limitations in light of ASA's Physical Endurance Star Rating System in ASA's Brochure and Itinerary when choosing your tour.
- If you are not likely to satisfy ASA's Participation Criteria (see below), ASA, in its sole discretion, may reject your Reservation Application.
- It is a condition of your tour that you agree to accept the directions of ASA's Tour Leaders in relation to your suitability to participate in activities planned on tour.
- ASA reserves the right to cancel your participation on a tour if your behaviour is in ASA's opinion causing undue distress or damage to any person or their property.
- If your participation is discontinued during a tour, ASA will assist by arranging your onward travel (if required) at your own cost, but you will not be refunded for forfeited parts of the tour.
- ASA tour groups are not accompanied by a medical practitioner. ASA recommends that you see your doctor for advice about your specific needs while overseas. You may also wish to contact a travel and vaccination clinic for advice. [www.traveldoctor.com.au](http://www.traveldoctor.com.au) tel: 1300 658 444; [www.travelvax.com.au](http://www.travelvax.com.au) tel: 1300 360 164.
- Travel insurers require you to declare all existing medical conditions.
- Please carry a complete list of medications with you during the ASA tour. Include **generic names** of each medication (consult your local pharmacy for information).

Please mark **X** in the YES or NO box to every question below and provide details where necessary:

## Participation Criteria

To participate in an ASA tour, you must be reasonably fit, in good health and able to participate in all activities without assistance from Tour Leaders or other tour members. If you require assistance, a fit and able travel companion must undertake to accompany and assist you with all tasks for the duration of the whole tour. The responsibility of the Tour Leader is to ensure that the larger group enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing individual assistance to any one guest.

- |   | YES                   | NO                    |
|---|-----------------------|-----------------------|
| 1. Can you walk and stand unassisted for at least 2-3 hours a day in hot, humid conditions?           | <input type="radio"/> | <input type="radio"/> |
| 2. Can you walk unassisted on and over uneven surfaces?   | <input type="radio"/> | <input type="radio"/> |
| 3. Can you climb at least 3 flights of stairs and/or walk up and down steep slopes unassisted?        | <input type="radio"/> | <input type="radio"/> |
| 4. Can you walk at a steady pace and no less than 1km every 15 - 20 minutes unassisted?               | <input type="radio"/> | <input type="radio"/> |
| 5. Can you organise, manage and carry your own luggage?   | <input type="radio"/> | <input type="radio"/> |
| 6. Can you follow and remember tour instructions and meet punctually at designated times and places?  | <input type="radio"/> | <input type="radio"/> |
| 7. Can you administer your own medication?  | <input type="radio"/> | <input type="radio"/> |
| 8. Do you have impaired vision or hearing which may impact your capacity to participate on this tour? | <input type="radio"/> | <input type="radio"/> |

## Mobility and Fitness

As many of ASA's international sites do not provide access to wheelchairs or similar mobility aids, we regret that ASA tours are not suitable for people who require the use of a walking frame, wheeled walker, wheelchair or motorised scooter.

1. Do you suffer from any medical conditions that may compromise your mobility and/or fitness to participate on this program? YES NO ☐ ☐
- If yes, please specify

If yes, how will you manage this on tour?

## Allergies and/or Food Intolerances

ASA will make reasonable endeavours to organise meals to suit you, provided that you give ASA adequate notice of your specific dietary requirements or allergies. You may be required to research dietary alternatives, as not all destinations may be able to offer suitable food substitutes.

1. Do you have any food allergies or intolerances? YES NO ☐ ☐
- If yes, please specify

2. Have you ever had an anaphylactic reaction to anything? ☐ ☐
- If yes, please specify

Do you carry an epipen? ☐ ☐

3. Do you have any other allergies or reactions to anything, including medical drugs? ☐ ☐
- If yes, please specify

## Existing Medical Conditions

You alone are responsible for managing any existing medical conditions, your medication and any medical equipment that you may need when on your tour. Please plan for contingencies and take extra medication, dietary supplements and/or fully charged batteries for medical equipment if your health and safety depends on these. You should take into consideration that power sources at some destinations may be unavailable, inadequate, inconvenient or unreliable.

1. Have you any significant medical conditions that may impact your capacity to complete this tour? YES NO ☐ ☐
- If yes, please specify

If yes, how will you manage this on tour?

2. Do you require some form of powered medical aid, such as a CPAP machine? ☐ ☐

These machines may not be operable on certain international flights, modes of transport, in remote or other areas with inadequate or unreliable power sources without a fully charged independent long life battery or batteries.

**Diabetics:** You may be travelling and sightseeing for many hours at a time. Insulin dependent diabetics must carry extra supplies of insulin (as this medication cannot be obtained in some destinations), regulators, applicators, storage and refrigeration equipment, as well as any necessary supplements. Accommodation may not provide refrigerators in rooms.

3. Are you diabetic? ☐ ☐
- Are you insulin dependent? ☐ ☐
4. Do you suffer from travel sickness? ☐ ☐
- Remember to use an appropriate medication while on tour.

## Declaration

I declare that: I have read and understood the ASA Tour Itinerary, Reservation Application and Booking Conditions. I am aware of ASA's terms as relating to refunds, cancellations, responsibility and liability. I understand that ASA relies upon this declaration when considering this Application. I accept the inherent dangers, risks and uncertainties in travel and those beyond ASA's control and understand they may occur before or during any tour. I have made full and complete disclosure and have not knowingly withheld any medical information about myself from ASA. I have completed this Reservation Application honestly and accurately. I warrant that I am able to participate independently in all activities described by ASA in the itinerary without assistance from any person.

I will advise ASA in writing if any aspect of my fitness and or health conditions change materially at any time before my departure date. I understand and accept that the itinerary, accommodation and lecturers scheduled for this tour may change.

I agree and consent that ASA may give my personal information in this Reservation Application to tour service providers and relevant authorities as required by law, but only for the purpose of making bookings with and engaging services associated with the tour. I understand that if I do not consent to the use of my personal information for this purpose, ASA will decline my Reservation Application.

In consideration of ASA's acceptance of my Reservation Application, I irrevocably release and indemnify ASA from all claims that I, or any other party, may have against ASA its employees, invitees, agents and contractors, however arising in respect of any loss, damage, injury, death or expense incurred in the course of booking, preparing for, travelling to, on and from or cancelling any tour.

I release and indemnify ASA with respect to:

1. Every general risk to which I or my personal belongings may be exposed in the course of preparing for, travelling to, on or from any ASA tour;
2. Every special risk, in particular medical risks, to which I may be exposed in the course of preparing for, travelling to, on or from any ASA tour arising from, including, but not limited to:
  - a. intermittent power cycles and/or the temporary or permanent loss of power (beware CPAP or any other medical machine users);
  - b. dietary, food or other allergies (ASA cannot guarantee that traces of items to which you are allergic are not present in food or drink you are served, medication you are administered or other substances with which you may come into contact);
  - c. any event or situation that may compromise the administration of necessary medication or my health, safety and wellbeing generally; and
  - d. any event or happening beyond ASA's control
3. All claims arising as a result of my or ASA's cancellation or termination of any tour, part of a tour or of my continued participation on a tour for any reason (subject to ASA's refund conditions below).

## Limitation of Liability

ASA is not a carrier, event or tourist attraction host, accommodation or dining service provider. All bookings made and tickets or coupons issued by ASA for transport, event, accommodation, dining and the like are issued as an agent for various service providers and are subject to the terms and conditions and limitations of liability imposed by each service provider. ASA is not responsible for their products, services, terms and conditions. If a service provider cancels or does not deliver the product or service for which you have contracted, and does not give a refund, your remedy lies with the service provider, not ASA.

ASA will not be liable for any claim (e.g. sickness, injury, death, damage or loss) arising from any change, delay, detention, breakdown, border closures, cancellation, failure, accident, act, omission or negligence of any tour service provider or authority however caused (contingencies). You must take out such travel insurance as is available against such contingencies.

ASA's liability in respect of any tour cancelled or changed will be limited to the partial refund of amounts you have paid, less an administration fee of \$500 and other costs and charges of third party service providers. No compensation will be payable to you by ASA where ASA cancels or changes a tour, or any part of a tour.

ASA reserves the sole discretion to cancel any tour or to modify itineraries in any way it considers appropriate and in the best interests of health, safety and wellbeing of tour participants. Tour costs may be revised, subject to unexpected price increases or exchange rate fluctuations.

## Booking Conditions

### DEPOSITS

A deposit of \$500.00 AUD per person is required to reserve a place on an ASA tour.

### CANCELLATION FEES

If you cancel your booking the following charges apply:

More than 75 days before departure: \$500\*  
75-46 days prior 25% of total amount due  
45-31 days prior 50% of total amount due  
30-15 days prior 75% of total amount due  
14-0 days prior 100% of total amount due

*\*This amount may be **credited** to another ASA tour departing within 12 months of the original tour you booked. We regret, in this case early-bird discounts will not apply.*

**We take the day on which you cancel as being that on which we receive written confirmation of cancellation.**

### UNUSED PORTIONS OF THE TOUR

We regret that refunds will not be given for any unused portions or services of the tour, such as meals, entry fees, accommodation, flights or transfers.

### WILL THE TOUR PRICE OR ITINERARY CHANGE?

If the number of participants on a tour is significantly less than budgeted, or if there is a significant change in exchange rates ASA reserves the right to amend the advertised price. We shall, however, do all in our power to maintain the published price. Occasionally circumstances beyond the control of ASA make it necessary to change airline, hotel or to make amendments to itineraries. We will inform you of any changes in due course.

### TRAVEL INSURANCE

ASA requires all participants to obtain comprehensive travel insurance. A copy of your travel insurance certificate and the **reverse charge** emergency contact phone number must be received by ASA no later than 75 days prior to the commencement of the tour.

### FINAL PAYMENT

The balance of the tour price will be due 75 days prior to the tour commencement date.

## PLEASE READ THE ABOVE CAREFULLY, PRINT AND SIGN BELOW

☐ I accept the conditions on this booking form ☐ I have read the information about the physical requirements of the tour in the detailed itinerary and confirm that I am able to meet these requirements
